ITCHING ECZEMA DRIED RIGHT UP BY THIS SULPHUR
 Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth. It seldom fails to relieve the torment and disfigurement. Sufferers from skin trouble should get a little jar of Rowies Mentho-Sulphur from any good druggist and use it like a cold cream.

Sports of All Sorts The Oregon Backfield

UNIVERSITY OF OREGON. Eugene, Oct. 1.—(Special)—Backfield prospects of the Oregon football team this fall are brighter than they have been for several years, with three of last year's regulars back and an excellent list of candidates to fill the fourth position. The only back who was graduated from last year's squad was Louie Anderson, quarter. Trying for his berth this year are Gao, Minnaugh, alternate in 1925, and Ira C. Woodie, who came up from the freshman squad and who showed such fine form in the first two weeks of work that he started against Willamette in the first game of the season. At halves, George Burnell is one of the leading candidates. Although he held a berth on the first string for some time, Otto

school star, has been filling a relief role at full assisted by Coster Goud. Arthur Ord, the smallest man on the Oregon team, and the fastest, has played at half considerably, but owing to his weight handicap, probably will not break into the regular lineup. In his first appearance he ran back one kick-off 75 yards for a touchdown and skirted end 72 yards on another play for a score.

NAME FOR GASOLINE MADE PUBLIC TODAY

General "Moto-Crat" Gasoline is the new name for the latest and greatest development in motor fuel. This name was chosen by the judges of the name contest conducted by the General

Petroleum Corporation and the award of the one thousand dollars goes to Homer M. Parsons, 543 Highland Avenue, San Bernardino, California. The four awards of one hundred dollars each and the one hundred awards from five to twenty dollars each will be announced in a very short time. These are for meritorious suggestions submitted to the contest committee.

It was no small task to select the right kind of a name from half a million suggestions. The judges anticipated that they would receive about fifty thousand of them and instead of about ten days it has taken almost a month to make the selection.

The names of those receiving additional awards will be posted at the dealers selling General "Moto-Crat" Gasoline.

play on the part of other players. But one can name very few world's series won by the club which was outclassed behind the bat.

O'Farrell so far outclasses Hank Severoid and Fat Collins, the catchers upon whom the Yankees must depend, that the preponderance of power in this department alone may turn the tide of battle.

Of course, Bob must do his stuff. His year's record, which shows him to have been one of the most valuable players in the National league, will do him no good in this short series against the Yankees.

Short—But She's Husky

Miss Irma Ward, 15, is only four feet three inches tall—but she claims to be the strongest girl in America. Note the muscular development of her arms and shoulders in these pictures. She lives in Los Angeles.

O'FARRELL WILL BE STAR IN BIG SERIES

NEW YORK, Oct. 1.—If there is one player likely to prove the deciding factor in the forthcoming world's series, it is Bob O'Farrell of the Cardinals. Bob is the St. Louis catcher—the best backstop in either league.

The work of a catcher in a world's series usually is overshadowed by mere spectacular
