

IT'S TOUGH TO GET "PINCHED" FOR THIS

Local Sportsmen Victims of Technical Federal Wardens

An imaginary line dividing Oregon and California proved to be a bit too realistic early Saturday when a group of 24 sportsmen, including seven from Ashland, got themselves "pinched" by a pair of busy federal game wardens for hunting ducks in California.

There is still a serious question as to whether the men were in Oregon or California. In fact, the two game wardens confessed they were not sure. At any rate, they confiscated all the ducks and geese and said they would investigate the so-called imaginary line and determine whether or not they or the hunters were right.

The men were hunting in what they believed to be was Hopkin's slough, which has been used by Oregon sportsmen for years. If they unwittingly violated the California law, so, too, have many other Oregon sportsmen.

Those from Ashland who lost their bags of duck and geese included Fred Taylor, Dan Kay, Guy Good, Harry McNair, Guy Randles, Chet Phillips, and Fred Cushing.

Figs Grown Here Bring Good Sum

Demonstrating the diversified possibilities of Ashland from a fruit growing standpoint, H. H. Leavitt for eighteen years a resident of Ashland brought to the Tidings office this morning some blue figs grown at his home, 440 Chestnut street. These figs are peculiar in that they ripen twice during the year, once about July and then again in the fall. The blue fig according to Mr. Leavitt is decidedly healthy and contains no acid. During the past season he has sold more than \$50.00 worth, gathered from the two trees that are growing at his home.

Mr. and Mrs. Leavitt have just recently returned from the state fair where they had the good fortune to see two Ashland exhibits, the peaches of Abler Johnson and Mr. Frost's apples.

When St. Louis Won That Flag

The riotous celebrations of Armistice Day paled into insignificance in St. Louis when news came that the Cardinals had won the National League pennant — the city's first pennant since the early '80s. Business stopped and the whole city turned out to make a noise. This shows one of the downtown streets.

"Dear Brutus" will be presented somewhat later in the season by a splendid company of players, and this advance review will give those attending Tuesday's meeting an excellent opportunity to hear the review, previous to the presentation.

The Civic Club cordially invites every one who contemplates attending the delightful entertainment to come to the Civic Club house, Tuesday, to hear Miss Richardson. It will be an especially fine pre-ward in preparation to the enjoyment in store at the auditorium of the Normal at a little later date.

Rummage Sale—Ashland ladies are asked not to forget the Rummage Sale which is to be held the 5th and 6th of October (next Friday and Saturday) at the Civic House, and send their contributions in plenty of time for arrangement.

If those who donate cannot take their articles down to the Club House, they are to please notify Mrs. A. E. Frost or Mrs. Harrie Dean and things will be called for in time for the sale.

The things for the millinery department, in charge of Mrs. P. K. Hammond are to be brought in, in plenty of time for the arrangement of that branch of the sale.

"A Flower Exchange" is planned. Any one with flowers, seeds, shrubs, bulbs, to exchange is to bring them. If you haven't any come any way and the flowers will be given out as long as they last. The chief thought is to beautify Ashland's lawns and flower gardens and this is one of the ways that the Civic Club have found helpful.

The food sale is in competent hands and all those who are helping to make this a success are asked to bring their contributions early.

Last year the Rummage sale surpassed all former efforts and it is hoped that this one will measure up in like degree.

Those to whom this is perhaps an opportunity to find just what they need for some purpose are again reminded of the date. Come any way, look around and investigate the wonderful bargains exhibited. To those helping to fill the tables they are again reminded of the articles in garret or storeroom, that they do not want and that some one else may, are asked to bring them to the club house.

If any articles are left over they are placed where they will do the most good.

This is the \$1,000.00 name for this latest and greatest of motor fuels

GENERAL MOTO-CRAT GASOLINE

HOMER M. PARSONS, of San Bernardino, California, is awarded the \$1000.00 in cash for the winning name. Out of more than a half million names received at Contest Headquarters, General "Moto-crat" Gasoline was chosen by the judges as being the most suitable for this latest development in motor fuel. The General Petroleum Corporation wishes to express its appreciation of the widespread and enthusiastic interest of motorists and dealers "from Canada down" in the new gasoline and in the contest for a name.

More than five hundred thousand names! Nearly seven tons of mail received at Contest Headquarters. Telegrams, registered letters, 'phone calls... never in the history of gasoline has there been such a widespread and instantaneous success as the introduction of General "Moto-crat" Gasoline.

No wonder!

Here's what motorists get—
A noticeable increase in power and pick-up both summer and winter.
Less carbon deposit.
A noticeable increase in gas-miles.
No fuel knocks.
No pitted valves or fouled spark plugs.
Cheaper transportation cost.

Here's why they get it—
This new gasoline is highly volatile. Every drop vaporizes—it burns clean, leaving no deposit to produce a carbon. It contains no acids or sulphur to pit valves or foul spark plugs.

This new gasoline is finely balanced. General "Moto-crat" Gasoline is the result of years of effort to produce a highly volatile motor fuel that does not sacrifice gas-miles for that additional power or sacrifice power for miles.

Every General Independent Dealer today has General "Moto-crat" Gasoline. Drive into his station and prove to yourself that there is a difference in gasoline. It costs no more.

"It's the end of the run that counts" with lubricants. Use General Parabass Motor Oils (Para-4rd for Ford). They are your insurance that your motor will be as sound at the end of the run as it was at the beginning.
