The committee therefore asks that every Republican who wants to support President Coolidge, the policies of the administration, to maintain control in the Senate and House of Representatives, who wants a safe, sane and economical state and county administration and wants to be ably represented in the state legislature, to support the ticket from top to bottom.

COUNTY OFFICIALS Need More Room

The County Court has notified the people of Jackson County that more room is needed in order that County officials can handle the growing volume of County Business efficiently.

TIME FOR ACTION

The time has come for action by the people of Jackson County. If we look to our best interests, we must authorize our County Court to furnish additional space for this purpose and also fire protection for our records.

FREE COURT HOUSE FOR 5 YEARS

To meet the immediate needs of the County and to assure a location for the County Seat that will prove most economical the City of Medford offers free use of a new building in Medford.

BY ACCEPTING THIS OFFER, THE PEOPLE OF JACKSON COUNTY ARE SAVING THE COST OF A NEW BUILDING AT JACKSONVILLE.

THEY ARE ALSO SAVING NEARLY \$50,000 EACH YEAR THAT IS NOW THE EXTRA COST FOR TRANSACTING COUNTY BUSINESS AT JACKSONVILLE INSTEAD OF MEDFORD.

THE QUESTION IS:

Do you want the County Seat at Medford where this extra cost can be saved for all time or do you want to continue to pay it by going to Jacksonville? A new Court House must eventually be built. Vote 500 X Yes for removal of County Seat to Medford and it can be built from what's saved.

(Paid Adv. County Seat Removal Committee)

EARTH'S GREATEST CONFLICT NEAR

Oct. 26, 8 p. m. H. S. Murray, a world war veteran will deliver a lecture at the Wimer hall on the subject, "Earth's Greatest Conflict Near." Those who are arranging for the meeting, however, state that the lecturer does not come as a prophet of evil nor with the object of scaring anyone into being good. Rather it is his purpose to point out that the present distress and perplexity of the nations and the greater humanity are indications that we are nearing the end of the old order of things. This, it is said, is but in preparation for a better day wherein righteousness will control the affairs of earth. It is for this reason that present and imminent troubles are pointed out, in order that they may be recognized as marking the end of the unrighteousness which has so long afflicted the human race. It is said that many prophecies will be quoted in the lecture and that their fulfillment within recent years will be plainly pointed out, and additionally other prophecies will be shown to apply to the last and final spasm of trouble and distress that is to come upon the world before the kingdom of peace is fully established.

Good taste and good health demand sound teeth and sweet breath.

The use of Wrigley's chewing gum after every meal takes care of this important item of personal hygiene in a delightful, refreshing way—by cleansing the teeth of food particles and by helping the digestion.

The result is a sweet breath that shows care for one's self and consideration for others—both marks of refinement.

Muffins for breakfast give any day a pleasant beginning. Snowdrift makes the tender, crispy-crust kind that disappears so fast. Snowdrift is very rich and at the same time very delicate, and that's why it adds to the quality of everything you shorten with it.
