

Victory for Republicans Is Predicted

ness-like administration. His acts as governor will not be influenced by considerations of political expediency.

"Congressmen N. J. Sinnott, W. C. Hawley and M. E. Cramacker are assured of re-election from the three districts of the state. Justices of the supreme court will be re-elected without opposition. I have the utmost confidence in

the election of Charles A. Howard to the position of state school superintendent. L. E. Bean will undoubtedly be elected to the public service commission. I look for similar party success in the other state offices and throughout the various counties generally.

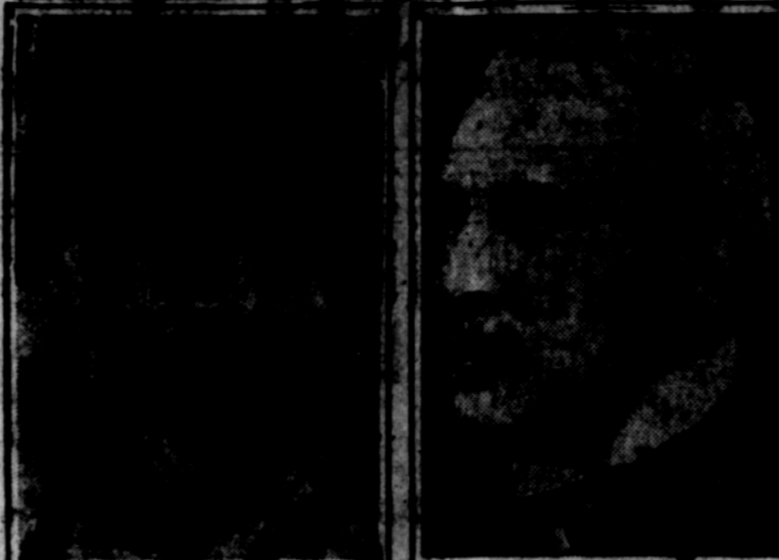

Should Not Bolt

"There is no valid reason for any republican to desert his party on election day. There is every reason for every voter to reaffirm his allegiance to republican principles. On the decision of this state may hang the control of the next senate by republicans or democrats. President

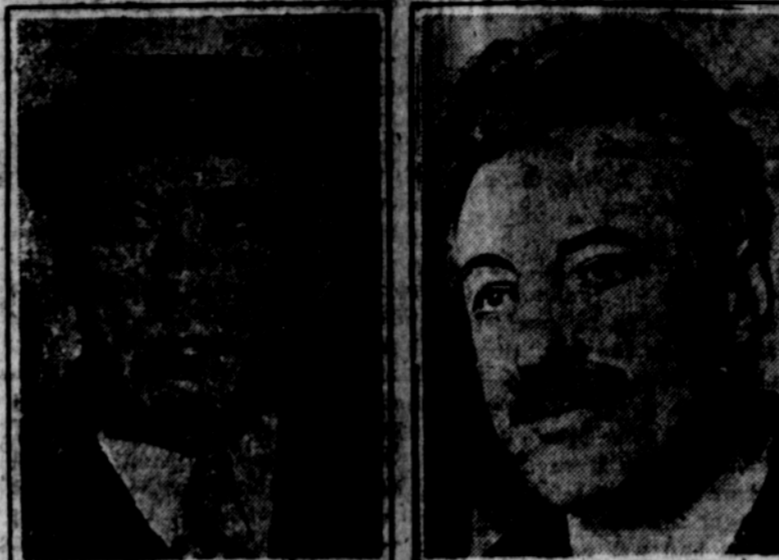

Coolidge is looking this way for a vote of confidence and support. "The battle is already won. Let the republicans rank and file. Let no last-minute flood of falsehood or partisan propaganda attempt to mislead the voters stampede or dismay us. Let nothing prevent us from doing our plain duty in electing the entire republican ticket. Get the vote out and the victory is ours."

BIG YELL RALLY TO BE STAGED TONIGHT

High School Students to Form Serpentine on Main Street

An honest to goodness yell rally that will stir up high enthusiasm among Ashland high school students and their supporters, will be staged along Main street this evening, starting at 7:30 o'clock. The high school students will form a serpentine opposite the library and will march down Main street to the Plaza block where they will circle back over the same route and disband at the library. The marchers will be under the direction of "Bud" Gaudes, school yell leader, who promises to have the students display more pep than they have ever before shown.

The serpentine will be staged in order to arouse interest in the football game tomorrow with Grants Pass high on the local athletic field.

A big pennant arrived here by air mail this morning and will be given to the class which has the largest number of students in the parade.

Shepherd To Get Million Dollars

CHICAGO, Oct. 29. — The ill-fated McClintock million, storm center of two years bitter litigation and the background for the germ murder trial of William Darling Shepherd, has been disposed of by a ruling of the supreme court at Springfield. Shepherd gets the million — unless Isabel Pope, Billy McClintock's fiancée, and ten of his cousins are successful in their fight to break young McClintock's will.
