# Attention Voters!

As candidates of the Democratic Party asking the honor and responsibility of representing this county and district in the State Legislature, you have a right to know where we stand on issues that are paramount to you and the voters of Oregon.

1. We heartily favor the Oregon Direct Primary law and are unalterably opposed to any alterations or amendments thereto, which seek to take from voters their right and privilege of nominating candidates for public office. The convention is a relic of the past.
2. We hold that the Dennis Resolution is inimical to the best interest of our county and state; that it is unfair, unjust, and if adopted will bind Oregon to a fixed program from which there will be no recourse for a period of 14 years, establishing a precedent that is dangerous in the extreme.
3. We believe in the strictest economy in government, consistent with a growing State and State Institutions.
4. We are opposed to the adoption of additional unnecessary laws which serve no other purpose than to entangle Oregon citizens in a maze of red tape.
5. We believe in law enforcement, BUT HONEST LAWS UNDER WHICH CITIZENS CAN LIVE WITHOUT BEING OUTLAWS.

**THAT VOTERS MAY KNOW:**

We ask Republican Legislative Candidates to announce through the newspapers where they stand on these important issues: What is your position on the Dennis Resolution? Where do you stand on the Direct Primary, and is it not a fact that you are pledged to introduce in the Legislature and work for the adoption of a Pre-Primary Convention measure, which has for its object the nullification of the Direct Primary law?

## DEFEAT The Fish-Wheel, Trap, Seine Bill

### VOTE 333 X NO

It will place a monopoly of fishing in the hands of one class, most of whom are not Citizens, and who have already repeatedly sought to raise the price of raw fish so as to place it beyond the reach of the average consumer. Fishing has seldom, if ever, been better. There is no occasion for factional discrimination and confiscatory legislation.

**This Bill Is Opposed By**  
 The Astoria Chamber of Commerce (the home of the principal sponsors)  
 The Clatsop County Press.  
 The U. S. Bureau of Fisheries.  
 By all fair minded citizens respecting the rights of property and believing in common justice;

**The Bill, If Passed, Will—**  
 Further increase taxes;  
 Raise the price of fish to the consumer;  
 Violate a solemn treaty with the State of Washington, making it a scrap of paper;  
 Confiscate hundreds of thousands of dollars worth of property, without process of law;  
 Throw many people out of employment in Wasco, Hood River, and Multnomah Counties;  
 Destroy industries and valuable taxable properties in these Counties;  
 Leave the Columbia River a boundary stream subject to concurrent jurisdiction with the State of Washington in a legal chaos — without law or regulation.  
 In the interest of the consumers of salmon, the already overburdened taxpayers, of common sense, fairness, and justice.
