Another Water Argument Given

One of the reasons advanced by a prominent business man this morning for the approval of the water bonds that has not been taken into consideration is the employment of many extra men and the creation of a pay roll here for some time.

"Every thing else being equal," this man declared this morning, "citizens should take into consideration the fact that it would be necessary to employ some hundred and fifty men for more than a year to make the improvements. This would mean considerable money being turned loose locally, and aside from the permanent benefits that would

Their opinion is based upon fact, not fancy, and is only given after a careful investigation of every angle.

MATTER OF ECONOMY

Ashland, Oregon.
November 1, 1926.

To Whom It May Concern:—
In 1922 the proposition to move the county seat from Jacksonville to Medford was defeated by a small vote.

I favored the removal at that time and tomorrow I shall again vote in favor of the change. All sentiment aside, and viewing it as a business proposition, the County seat should be located at Medford. I could advance many reasons favoring the change that seem to me convincing, but they have been given publicly so repeatedly that it would be a useless repetition to enumerate them here.

As a matter of economy, safety and convenience I hope the voters of Jackson County will sanction the change at the polls tomorrow.

THE TIME HAS COME

Ashland, Oregon.
November 1, 1926.

To Whom It May Concern:—
After carefully considering all statements which have come to my attention relative to the removal of the county seat, it is my conviction that the time has come when it would be wise to have the county seat located in the City of Medford.

Respectively,
V. O. N. SMITH.

A BUSINESS PROPOSITION

Ashland, Oregon.
November 1, 1926.

To Whom It May Concern:—
It is my opinion that the removal of the court house to Medford is a business proposition deserving our favorable consideration and support, and that in the years to come the taxpayers will be materially benefited by the change and will come to see the wisdom of having made it before spending large sums for improvement of the old buildings.

J. W. McCOY.

GENEROUS OFFER

Ashland, Oregon.
November 1st, 1926.

To Whom It May Concern:—
Tomorrow the voters of Jackson county will be called upon to pass upon the advisability of the removal of the county seat from Jacksonville to Medford.

It would certainly appear that the time has come when the people of this county should make permanent improvements in the matter of the county courthouse, and at a site which will be convenient for the greatest number of people.

I believe that in view of the generous offer which Medford has made that we should take advantage of this opportunity and vote to permanently fix the county seat in the center of the county. I have only the friendliest feeling for Jacksonville, but believe that good business judgment should be the determining factor.

Medford's Proposition to Furnish Free Site and Court House

A RESOLUTION declaring the intention of the City of Medford to build a city hall and lease the same to the county as a temporary court house and to donate a site for a permanent court house to Jackson County.

WHEREAS, heretofore upon the 7th day of April, 1925, the City Council of the City of Medford, at the request of the Jackson County Bar Association, did endorse the report of said Bar Association and express its willingness to submit to the people of Medford the question of constructing a building suitable for a temporary court house and donating a site for a permanent court house. And Whereas, upon said matters being duly submitted to the people of said city and being passed on favorably by them,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MEDFORD, OREGON, AS FOLLOWS:

Section 1. That in compliance with the former expressions of this body and the approval thereof by the vote of the people, the city council will, and does undertake, provided the people of Jackson county shall vote to change the county seat from Jacksonville to Medford at the coming general election, to erect and build a city hall building along the lines of the Josephine county courthouse, approximately ninety by ninety feet, built of concrete exterior, instead of tile, and with plain finish inside, instead of marble, two stories and basement, which will contain, roughly speaking, approximately twice the office space of the present Jacksonville courthouse and one-third more office space than the present offices of the Josephine county courthouse.

Section 2. The City of Medford agrees to let the contract for the building of said building as soon as the vote removing the courthouse from Jacksonville to Medford shall have been canvassed, and it be shown that the people have voted in favor of said removal and will hasten the construction thereof with all reasonable speed to the end that the county seat may be moved as soon as possible.

Section 3. That it will lease said building to the county for a temporary courthouse for a period not to exceed five years at a nominal rental of one dollar (\$1.00) per year.

Section 4. The council further agrees that it will donate to the county a site for a permanent courthouse whenever in the future the people of Jackson county shall desire to erect a permanent courthouse in said city.

The foregoing resolution was passed by the City Council on the 5th day of October, 1926. (Signed) O. O. ALENDERFER, Mayor.

Approved by me this 5th day of October, 1926. (Signed) O. O. ALENDERFER, Mayor.
Attest: M. L. Alford, Recorder.

The original of this resolution has been received and placed on file in the clerk's office.
