Keep Eliminative System Active
 Good Health Requires Good Elimination.

ONE can't feel well when there is a retention of poisonous waste in the blood. This is called a toxic condition, and is apt to make one tired, dull and languid. Other symptoms are sometimes toxic backaches and headaches. That the kidneys are not functioning properly is often shown by scanty or burning passages of urination. Many people have learned the value of Doan's Pills, a stimulant diuretic, when the kidneys seem functionally inactive. Everywhere one finds enthusiastic Doan's users. Ask your neighbor!

TURN HAIR DARK WITH SAGE TEA
 If Mixed with Sulphur It Darkens So Naturally Nobody Can Tell

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the musky mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Weyth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Weyth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also promotes that soft, lustrous and appearance of abundance which is so attractive.

He Can Tell It's H-O

THERE'S many a youngster to whom oatmeal means "H-O". They're quick to tell the difference when they get some other kind. For H-O has a real "toasted" flavor and a firm texture quite its own. Once they know H-O no other oatmeal will do.
