wonderful little piano

that's amazingly small and inexpensive

YOU'LL be astenished to know that the diminutive Wurlitzer Studio Piano is only three feet, eight inches high. And it is but slightly wider than its standard keyboard.

Yet, from this deinty, compact little instrument comes a rich resonance you'd expect to find only in much larger and much more costly pianos. It has the same bell-like quality of tone that has made Wurlitzer famous for over a century. Its price is only \$295 and up. You can have it with Player action for as little as \$445. Prices f. o.b. Factory. Come in and see and hear the Studio Piano.
We will gladly erronge torus convenient to you.

there always is considerable pre liminary work to be done. Besides a great many con gressmen are very much infatuated with Washington.
Perhaps it isn't surprising that

a man from some jerkwater little town in the sticks should prefer the capital. Perish the thought that he should admit it to the home folks, but it's noteworthy that he makes for here the minute he's sure he's safely re-elect-

According to early arrivals it's been an unusually gruelling cam-paign for an off presidential year, except in parts of the county which always go the same way, regardless of ispues or candidates or anything else. The individuals who have

been doing the spellbinding are pretty well fagged out. Never were there so many states and congressional distdicts which classed as doubtfur up to the last minute. Seldom in recent times has so much mud been slung. That's what the returning politicians say.

Secretary Mellon was the only cabinet member not drafted into the service by the Republican peakers' committee.

Several others weren't at all keen about taking the stump. saying they were too busy here, but the committee dragged them all onto it as election day drew near-all who hadn't been there from the very beginning of the
