Spitzenbergs, 95c box, Schuerman's Grocery. 55-1f

Have your broken windows repaired. All sizes, at Jordan's mill. 58-1f

Civic Club Meets—
The ladies of the Civic Club met in the Civic Clubhouse on Winburn Way Tuesday afternoon, November second for a regular business and social meeting.

Mrs. P. K. Hammond acted as president during the absence of Mrs. Harris Dean, president of the club, who is in Portland. Mrs. H. C. Galey had charge of the program, which was to have been a discussion of the water question in Ashland. This plan was not carried out, however, as Tuesday was election day, so the program consisted of an interesting discussion of the conservation of trees and the conditions of the cemeteries of Ashland. It was decided that committees would be appointed to work along these lines as soon as Mrs. Dean returns.

After the program, Mrs. Harriet Felding and Mrs. J. P. Dodge poured tea at a table gorgeously decorated in yellow and black, which required very much work and time to arrange. The next meeting will be in the Civic Clubhouse on Tuesday afternoon November sixteenth.

The greatest menace to power is an empty stomach.

It requires no physical training to be able to jump a board bill.

NORMAL SCHOOL NEWS

CLAIRE PRYBYLAKI
Reporter

Rev. P. H. Thatcher, of the Nazarene Church of Ashland, spoke at the devotional assembly of the Southern Oregon Normal School, Friday morning. Mr. Thatcher in an interesting manner urged all young people to be strong in their faith.

Just preceding the address by Reverend J. H. Thatcher Mr. Ralph Church, a student of the Southern Oregon Normal School, rendered two sacred solos entitled, "Hold Thou My Hand," by Briggs and "A Little While," by Rolfe.

The regular meeting of the Alpha Tau Phi Dramatic Society was held Wednesday evening with a majority of the members present. Mrs. Beatrice Able presided and introduced the speaker of the evening, Mr. John Galey, who spoke on stage lighting. The speaker brought out the fact that certain color schemes in costume and scenery were more vividly emphasized with stage lights of the same color.

During this meeting plans were taken up for the first annual banquet which is to be given by the society sometime in the near future.

The cast of the play, "The Trysting Place," which is to be presented by the Dramatic Society will be:

Mrs. Briggs Faye Arthur
Mr. Inglesby Lee Byers
Jessie Briggs Glydyth Brown
Rupert Smith Warren Doremus
Mrs. Curtis Florence Stewart
The Mysterious Voice

John Churchman
Lancelot Briggs Robert Wright
This play which is to be given on the evening of November 22nd is the initial attempt of the Dramatic Society, the admission being free and the public invited.

Sutherland—Local growers ship \$9,900 worth of peppermint oil stored in bank vaults.

HIGH SCHOOL NOTES

JACK NIMS

Enthusiasm is running at high pitch this week, as the students are looking forward to the team giving all that is in them Thursday, Nov. 11 at Medford. The granting of the windshield stickers to the students to put on their cars helped to enliven the student body.

A debate was presented before the student body Friday, November 5. The question debated was, "The Advantage of Smaller Colleges." The negative was upheld by Dick Joy, Ellen Galey and Adena Joy. The affirmative by James Briggs, Nadine Swanning and Donald Hinthorne. The former group carried away the honors. The judges of the afternoon were, Miss Hazard, Mr. Buyers and Miss French.

The football team journeyed to Medford today with the purpose of getting "dope" on Medford line of play, when Medford met Corvallis Hi at 2:30 at Van Scoyoc Field. Coach Crisp called the regular Saturday practice off today in order that the boys

might see the game.

The students of the high school sincerely hope that the citizens, business men and the Normal students will be at Medford behind them in their contest, with the Red and Black warriors, Thursday. A fast game is expected and residents will not be disappointed we believe.

A huge pep rally will be staged Wednesday night, Nov. 10. All sorts of noise makers, caps, confetti and torches will be sold to students by the junior class. It is hoped that a large amount of citizens and business men will be present at this rally. Wallop Medford!

Peach Twigs and Scientific Planning

THE peach twig dips downward, so many believe, when held over underground water supplies. So firm is the faith of some people in its supposed infallibility that they never undertake the labor and expense of digging a well without making a test for hidden water with this natural divining rod.

In preparing for the growth of telephone facilities to meet future demands, there is no peach-twig substitute for foresight. All expenditures of labor and money must be based on scientific planning. Careful studies must be made of present and future conditions in the locality to be served. Probable population and the volume and nature of telephone traffic must be estimated years ahead. Plant must be made capable of expansion. Capital must be arranged for in advance if growth is not to be delayed.

One of the vital phases of the Bell System's task of providing America with a nation-wide universal service is that of foreseeing and providing for the future needs of the nation.
