**WORLD WAR**

LEST WE FORGET

With the crack of the last shell on that memorable November 11th, eight years ago, there ended the most terrible struggle ever waged between nations.

The huge toll taken in lives and suffering cannot be measured by any earthly standards, and it is indeed appropriate that Armistice Day has been set aside each year to remind us of this tremendous sacrifice.

To those who have paid in full; to those who have bled; to those who have suffered in body and in heart, we bow our heads in reverent devotion, and may the future show by our lives as individuals and our conduct as a nation that this colossal sacrifice has not been in vain, and we pray that it can never happen again.
