BELLVIEW NOTES

Mrs. W. G. Tucker
Phone 2F14

The G. W. Clark family are the newest residents of the Bellview district, having exchanged property in Medford, with Mrs. Hall and her daughter, who owned the home, which older residents will remember as the old Shoemaker place on the corner of Clay and the Boulevard.

Mrs. W. K. Barnes and daughter, Frances, spent the week-end visiting friends in Medford.

Billy Briggs, who was just elected to the Oregon Legislature, was one of a party to go into Klamath Sunday on a duck hunt. W. E. Pierson, also of this district, was another member of the party.

Mrs. Austin Barron Brown, who was thrown from a horse some two weeks ago, is able to walk about some now, and no serious results will follow the accident.

The men of the Cattlemen's Association were riding the low hills Tuesday, gathering up the cows and calves which were still out. Some of the animals are thin owing to the lack of feed on the range, this fall.

The community club meeting was held at Mrs. W. L. Huxley's Tuesday afternoon. There was a good attendance. Following the business session the program committee consisting of Mrs. W. K. Barnes, Mrs. Earl Smith and Mrs. W. D. Jackson, had arranged for the following program:

Vocal solo, by Mrs. Walcott, which was responded to with an encore. A reading by Dr. Shaw, which was also heartily endorsed. A charming reading by Mrs. Doremus, and another solo by Mrs. Walcott and both happily responded to, followed by a "bean contest" ended the lighter side of our ordinarily busy meetings. Our new demonstration Agent will be here the first of January, and then we will work out something very definite. The club room in the new club house will also be ready for use and we can plan for furnishings that. Our next meeting will be along the line of

Christmas sewing, and will be held at the home of Mrs. W. K. Barnes.

Wants To Help Move Vice Ring

SAN FRANCISCO, Nov. 12.—(United News)—Rudolph Spreckels has promised to support any movement "to eliminate a center of vice like Tia Juana from our borders."

Spreckels was one of the fore-

most benefactors of the defeated proposal to legalize pari-mutual betting on California horse racing.

He was questioned in regard to his reported leadership of a movement to tighten federal regulations on the Mexican border to curtail the crossing of paying crowds.

He denied that his opposition to Tia Juana was fostered by reported support given by that resort to defeat the pari-mutual proposal.
