**ALABAMA TO PLAY IN ANNUAL GAME**

Expect Stanford to be Opponent in New Years Classic

LOS ANGELES, Nov. 16.—Alabama University's championship football eleven will again represent the east in the annual post season intersectional classic, at the Pasadena Rose bowl New Year's day, it appeared today.

Stanford, the only undefeated team appeared almost certain as a western opponent. The Tournament of Roses committee already has a contract with Alabama, while Stanford is expected to be sent a formal invitation this week.

**That Baby You've Longed For**

Mrs. Burton Advises Women on Motherhood and Companionship

For several years I was denied the blessing of "motherhood," writes Mrs. Margaret Burton of Kansas City. "I was terribly nervous and subject to periods of terrible suffering and melancholia. Now I am the proud mother of a beautiful little daughter and true companion and inspiration to my husband. I believe hundreds of other women would like to know the secret of my happiness, and I will gladly reveal it to any married woman who will write me." Mrs. Burton offers her advice entirely without charge. She has nothing to sell. Letters should be addressed to Mrs. Margaret Burton, 2657 Massachusetts, Kansas City, Mo. Correspondence will be strictly confidential.

**SAGE TEA TURNS GRAY HAIR DARK**

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It fades, turns gray or streaked, just an application of two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use if it is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it works so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

Over the river he has gone only a little in advance of us. Some one must go first. Perhaps in the ways of a kind providence it is best it should be he who is to welcome us on the other shore.

His grandmother Wood, 104 Laurel Street, Ashland, Ore.

Good Health Depends Upon Good Elimination.

**RETENTION** of bodily waste in the blood is called a "toxic condition." This often gives rise to a dull, languid feeling and, sometimes, toxic backaches and headaches. That the kidneys are not functioning properly is often shown by burning or scanty passage of secretions. Thousands have learned to assist their kidneys by drinking plenty of pure water and the occasional use of a stimulant diuretic. 50,000 users give Doan's signed endorsement. Ask your neighbor!
