CHURCH MAY FREE MARCONI AND WIFE

Prenuptial Agreement With Inventor and Wife Considered

ROME, Nov. 23.—A prenuptial agreement between Signor Marconi, inventor of the wireless, and his wife, may cause the Catholic church to free another widely known couple from their marriage bonds.

Close on announcement of annulment of the marriage of the Duke Marlborough to the former Consuelo Vanderbilt comes the statement from Marconi that he will ask the holy church at Rome to make final annulment provisionally granted by the Catholic curia at Westminster.

The inventor has been divorced from his wife, the former Hon. Beatrice O'Brien of Ireland, since 1923. She is now married to Marquis Montecorona.

While coercion on the part of Mrs. O. H. P. Belmont, the duchess of Marlborough's mother, was given as the reason for the church's annulment of the Marlborough marriage, action may be taken in this case involving one of the church's chief stands on the institution of marriage.

Signor and Mrs. Marconi at the time of their marriage made a pledge that either might dissolve it whenever they saw fit. As the Catholic church sees all marriages as permanent this agreement makes the marriage binding as far as the doctrines of the courts are concerned.

New Lamp Burns 94 per cent Air
A Lamp that Burns 94% Air
A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal oil).
The inventor, V. M. Johnson, 161 N. Union Ave., Portland, Ore. is offering to send a lamp on 10 day's FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month. No. 1.

(We should charge a premium for this greater gasoline—but it costs you the same as others)

GENERAL MOTO-CRAT GASOLINE

Here's what you get from this greater motor fuel—
A noticeable increase in power and pick-up both winter and summer
Less carbon deposit—No crank-case dilution

Drain your crank case and fill up with Parabase. It's your insurance for as perfect a motor at the end of the run as at the beginning. For Fords use Para4rd.
