TEN-YEAR-OLD BOY UNABLE TO GROW TEETH
POPLAR BLUFF, Mo., (UP) - Although he hasn't a single tooth in his mouth - never has had and never will, physicians say - Irwin Kearbey, 10 year old boy, living near here can relish a tough beefsteak and taty sandy and masticate other foods that try the talents of a sharp-toothed person. Irwin's case is not an unusual one for his family. A brother, Lester, who lived until he was 14 years old, failed to grow any teeth as did a cousin, William Clark. Irwin is a normal boy in every other respect and is an excellent student, his teachers say.

Quart of Water Cleans Kidneys
Take a Little Salts if Your Back Hurts, or Bladder is Troubling You
No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Eating too much rich food creates acids, which excite the kidneys. They become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood. Then we get sick. Rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders often come from sluggish kidneys. The moment you feel a dull ache in the kidneys, or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, begin drinking a quart of water each day, also get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast, and in a few days your kidneys may act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush and stimulate the kidneys; also to help neutralize the acids in the system, so they no longer cause irritation, thus often relieving bladder weakness. Jad Salts is inexpensive; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep the kidneys clean and active and the blood pure, thereby often avoiding serious kidney complications.

Local Woman Has Poem Published

The following poem was written by an Ashland woman, and is reprinted from the Oregonian of recent date.
THE ROMANY BRIDE
Since I've come to live in this strange place
That hides the stars and the moon's dear face,
And gaze on the calm, white pride of you,
I wonder if all they say is true
That some day soon when the west flames rose
Headless, I'll follow the path that goes
Where the blue of wood smoke stains the hill;
My brown limbs pulse to the old, old thrill
Of cotton, gowa and a crimson shawl!
The color of sumac in the fall;
I'll wonder in the firelight's ruddy glow -
Ah, the wild appeal you cannot know!
But you gave to me a fine old name,
And your eyes are kind 'neath the candle flame.
O' teach my feet to be prim and slow,
To follow wherever your footsteps go.
But lead me not through a meadow lane,
Lest I hear a brown lad's call again;
And close your casements when spring winds blow -
Winds with the power to lure me so.
Hide from me odors of rain-wet grass,
Lest I leave at dawn when gypsies pass.
