Burning the Yule Log The burning of the Yule log at Christmas time, in parts of England and the continent, is a survival from an ancient festival annually held among the northern nations to celebrate the return of the sun after the winter solstice (December 21). The Yule log is thought to bring good fortune, and frequently part of it is saved to light the new one in the following the survival and acquired a real first. light the new one in the following year. The Italians regard the charred Yule log as a preventive against lightning. "Yule" is an old word for Christmas, and is still so used provincially.

Chocolete Caramels Use one pound of brown sugar, one-fourth pound unsweetened chocolate, shaved, and one-hair cupful of water. Boll same as fudge and before removing from fire add a generous lump of butter and one cupful of walnut or other nut meats or they can be omitted. After it is poured into a buttered pan cut it in squares before it gets hard.

What to Give? When one thinks of what to give an old friend for Christmas, the first consideration is "Now what did I give him last year?" Per-haps that is as good a way as any to open the question of Tow Year's resolutions.
