> Ashland Camp Pire Girls Meet-Cheschamay Group - Shortly after the school term opened for this year, a Camp Fire group known as the "Cheschamay Group," meaning tall friends," was organized in the Washington school. The following officers were elected: Mancy Lu Gill, president; Opal Clary, vice-president; Maurice Roberson, secre-tary and Marrietta Whitney,

treasurer.
This camp has had several very interesting meetings, and much pep and enthusiasm has been shown by the members, who are to looking forward to a progressive year together.

Camp Tula Hilusi-Camp Tula the Junior high school, with their guardian, Miss Edna Goheen. Plans for a Christmas party were made and a plan of action for Christmas charity work was

Marie Davies and Mildred Bar-ber took rank as wood gatherers and a number of girls received honor beads. The ceremony was very impressive and the thoughts which were brought out during the evening were all quite worth

This evening was brought to This evening was brought to a fitting close with the singing of some of the Camp Fire songs which every Camp Fire Girl knows. Miss Mildred Crain, Miss Vola McDowell, Miss Miriam Calmenson and Miss Alice French were the guardians present.

ily to support milk condensary.

On the night of December 11 Ashland people will have an opportunity to hear the famed Uk-arainian chorus, when they ap-pear for one night only at the Armory. The complete program will be as follows: Early Morning (Christma

addition to moving picture equip-ment, has tanks for preserving rare specimens of see life for the New York museums of matural history. The voyage is intended to prove of considerable value in this respect. Before miling the author told of plans to book a make, a species of shark which leaps out of the water forty feet in the air, sometimes landing with barely a splash. He and Captain Mitchell hooked one a year ago on the east coast of New Zeal-and. The monster weighed over 1,000 pounds and managed to get away before the sportsmen were able to study it very closely,

"We expect to find sailfish and una. something unknown to folks fishing around New Zealand." he said before leaving. "We also expect to find new species of fish mong most of the island groups These have been fished very little except by the natives after food close to shore."

Frank Stick, will known New York artist, will oin the group and wives of the adventurers will oin them in the Antipodes.
