## Isaac Store Has Big Toy Exhibit

One of the finest and most complete toy departments in Southern Oregon has been arranged this year by the E. K. Isaac and company store where toys of all kinds and descriptions and prices are now on display for the holiday trade.

Mr. Isaac has given over nearly the entire balcony room of his store to the toy department and several additional saleswomen have been employed to handle this department.

Mechanical toys appear to be the favorite among the hundreds of youngsters who have visited the balcony Toyland at the Isaac store, and Mr. Isaac believes that his eye of this character will make the biggest hit with Ashland kiddies.

A visit to Isaac's Toyland impresses the shopper with the staunchness and durability of all the toys he has placed on his many display shelves and tables.

## Visitors Invited To Junior High

The third annual visiting day at the Junior High school will be observed Friday, December 17, when during the hours between one and two o'clock the classes will be in regular session and parents and friends of the students are urged to attend and see them in their daily work. A Christmas program has been arranged which will directly follow the hour's inspection. This program will be held in the gymnasium, and following this the visitors will be given an opportunity to see some of the work that is being done in sewing, art and others branches.
