MOTELY THROG BIDS ON VALENTINO STUFF
Idol Worshipping Flapper, and Sentimental Matrons Are On Hand
HOLLYWOOD, Cal., Dec. 15. Sentimental reverence and sacred commercialism mingled in the hall of art studios here Tuesday, when a motley throng came to a market place of memories to barter for the cherished personal possessions of the late Rudolph Valentino.
 The idol worshipping flapper, the sentimental middle aged matron and the rabid art dealer, bumped elbows before a curious array of treasures that the late film sheik had accumulated, while 16 special guards, watched over the display, valued at \$1,000,000.
 Cup-bitted rapiers, parrying daggers, wheel lock pistols and other medieval arms, vied for admiration with rare first editions, Gothic woodcuts, wood panels of ecclesiastical art; Varguendo furniture and personal trinkets, including an extensive wardrobe.
 The El Caballero Jerezano, a full length canvas of Valentino in Argentine garb, occupies the spotlight of attention. It is the painting that Pola Negri, the dead ac-

BE PRETTY! TURN GRAY HAIR DARK
 Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur
 Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost. Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time, by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

HIGH SCHOOL NOTES

JACK NIMS
 The annual high school play presented every year by the student body, will be given Thursday night, December 16, in the high school auditorium. The play chosen this year is entitled "The Bashful Mr. Bobbs," and is presented by a cast chosen from the best material in the student body. The cast has been rehearsing faithfully for several weeks under the able direction of Miss Adrienne Hazard, higher English and Journalism instructor. The prices this year are in touch with everyone's pocket book. Nominal, we mean. The people who attend will not be disappointed in the least as comedy is predominate through the entire play. The high school orchestra will play between acts. Miss Laura Raguse, musical director in the Ashland public schools, has arranged a special musical program for the enjoyment of the patrons.

Slickers have given way to overcoats and top-coats, although the ever-faithful galoshes seem to hang on, however, and are flapping as flippantly as ever.

The first snow has caused much unrest in the study hall, lately and books are scanned periodically while the size and number of snow flakes are remarked about in excited whispers, "It won't be long now."

A special edition of the high school paper, "The Rogue News" will be distributed Wednesday, in view of advertising the anniversary play.

Basketball practice started December 8. Twenty were out; since then the squad has increased to thirty. Coach Cripe has been patting boys through practice the last week.

The glee clubs are preparing for an operetta to be presented after Christmas. The operetta selected is "Miss Cherry Blossom," which will be under the direction of Miss Laura Raguse. Milo Gates entered school Monday.

JUDGE THOMAS IS GIVEN BIG BOOST

Peace Officers Urge His Appointment at Rousing Meeting
 Circuit Judge Charles M. Thomas was again put forward as the best possible candidate to succeed the late Federal Judge Wolverton at a session of the association of Southern Oregon peace officers at the Hotel Holland in Medford last night.

Joe Keller, special agent for the theft bureau of the Pacific Coast auto underwriters conference, flayed circuit judges throughout the state and particularly in Portland, where he said their leniency and spineless attitudes was the greatest hindrance in the fight against auto thieves.

Firm and Just
 He declared Judge Thomas to be the one circuit judge in all of Oregon who dealt firmly and justly with the criminal class, and declared he would be a worthy successor to Judge Wolverton. By unanimous vote of the peace officers, District Attorney Chaney, secretary of the organization, was directed to send telegrams to the Oregon senatorial delegation urging the appointment of Judge Thomas.
 The Medford meeting last night was one of the best attended.

Hospital Needs Of City Shown

A plea for better hospital facilities was voiced yesterday by Miss Atchison, superintendent of the community hospital, in a talk before the chamber of commerce forum. She said a well equipped hospital, with wards for contagious disease and an X-ray room would be of real value to the city.
 O. F. Carson, president of the chamber, gave a few of his impressions gained on recent visits to the northern part of the state, and suggested that Ashland must work harder in order to compete with other cities for the tourist trade.
 Dr. E. A. Woods presided.

FERRY ON ROCKS
 NEW YORK, Dec. 15. - The bitzer that swept New York yesterday was too much for Willie Reinbold, world champion, professional walker. In his attempt to set a new world's record for 35 miles around Manhattan, he walked two and a half miles against the wind and snow before collapsing with both feet and hands frozen. He was fresh legs and thin walking shoes.

If Back Hurts Flush Kidneys
 Drink Plenty of Water and Take Glass of Salts Before Breakfast Occasionally
 When your kidneys hurt and your back feels sore, don't be alarmed. Proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which help to remove the body's various waste and stimulate them to their normal activity.
 The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.
 Drink lots of good water - you can't drink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.
 Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and you doubt you will wonder what became of your kidney trouble and backache.
