Appropriate Christmas Gifts
Many attractive and appropriate gifts are offered to you by local merchants and we commend their stocks to you for selection.
However, while deciding upon gifts for the kiddies, many of which are due for destruction in a day or a week, why not decide to include among them one which will have real permanent value?
A savings account will prove to be such a gift no matter how much the initial amount of deposit may be. Under the guidance of parents thoughtful of their children's future, such a gift will grow more valuable with each passing year.
