Drink Water If Kidneys Bother

Take a Tablespoonful of Salts If Head Pains or Bladder is Irritated

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weak; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the cheapest office physician will tell you, and you seek relief two or three times during the night.

To help neutralize these irritating acids; to help cleanse the kidneys and flush off the body's urinous waste, get four ounces of Jad Salts from any pharmacy here. Take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids in the system so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water drink.

BREAK CHEST COLDS WITH RED PEPPER

Ease your tight, aching chest. Stop the pain. Break up the congestion. Feel a bad cold loosen up in just a short time.

"Red Pepper Rub" is the cold remedy that brings quickest relief. It dissolves the mucus and drives the congestion and soreness right out. Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into cold congestions, aching muscles and sore throats, relief comes at once.

At the moment you apply Red Pepper Rub you feel the tingling heat. In three minutes the congested spot is warmer through and through. When you are suffering from a cold, rheumatism, backache, stiff neck or sore muscles, get a jar of Rowles Red Pepper Rub, made from red peppers, at any drug store. You will have the quick relief you need. Always say "Red Pepper Rub."
