The Western Union Telegraph men working south of Ashland are making good progress, with their moving of the poles, so making it possible for the highway people to widen the pavement. This is considered very necessary for some places the pavement is entirely too narrow.

the district are grateful for the splendid offer from Mr. Moon. Edwin Dunn, who has been seriously ill with pneumonia, is improving steadily, and was able to sit up a little for the first time New Year's Day. His many friends are so glad to know this.

Overdoing?
Hurry, Worry and Overwork Bring Heavy Strain.
MODERN life throws a heavy burden on our bodily machinery. The eliminative organs, especially the kidneys, are apt to become sluggish. Retention of excess uric acid and other poisonous waste often gives rise to a dull, languid feeling and, sometimes, toxic backaches and headaches. That the kidneys are not functioning perfectly is often shown by burning or scanty passage of secretions. More and more people are learning to assist their kidneys by the occasional use of Doan's Pills—a stimulant diuretic. Ask your neighbor!
