### GOATS VS. BUFFALOES

AVALON, Oregon, Jan. 5.—(UN)—Goats vs. Buffaloes. That may be the title of the next sporting event sponsored by William Wrigley, Jr.'s baseball magnate and owner of Catalina Island.

Wrigley recently prohibited the shooting of the small wild goats that roam the island. Since then they have increased in number and fighting tendencies, it is reported.

And now, a herd of buffaloes is "working" at the summer resort for a motion picture company. They will be left there until the film is completed.
