## IS YOUR CHILD GAINING WEIGHT?

Mothers of School Children Should Out This Out

The boy or girl attending school, who is not steadily gaining weight, should be watched carefully. Nearly every school child undergoes a constant physical, mental and nervous strain that slowly but surely saps reserve vitality. They need a body builder to help carry them through this period of danger and prevent colds and contagion. Nothing could be better than Cod Liver Oil. Children used to hate its nasty fishy taste, but now McNair Bros. and other druggists offer instead McCoy's Cod Liver Oil Compound Tablets—giving all the benefits of the old-fashioned oil, but so easy to take as candy. Insist on McCoy's. Children everywhere are gaining strength and weight with its use, and your druggist is authorized to refund your money if your child, too, doesn't show a splendid gain in 30 days.
