SULPHUR SOOTHES UGLY, ITCHINGSKIN

The First Application Makes Skin Cool and Comfortable

If you are suffering from eczema or other torturing, embarrassing trouble you may quickly be rid of using Mentho-Sulphur, declares

h by using Mentho-Sulphur, declares a noted skin specialist.

This sulphur preparation, because of its germ destroying properties, seldon fails to quickly subdue itching, even of fiery eczems. The first application makes the skin cool and comfectable. Rash and blotches are healed right up. Rowles Mentho-Sulphur is applied like any pleasant cool cream and is perfectly harmless. You can obtain a small jar from any mood druggist.

"We will ask you, gentlemen of the jury, to hang them in retribution for this dastardly crime as a warning to others and for the protection of society".

The attorney brought out that the youths confessed to the crime and that a diary found on one of them related briefly that "the gang shot and killed a guy and got \$40 from him."

Albert Johnson, hired by the fathers and mothers of the youths to save them from being hanged, told the fury that Ciesla was shot accidentally during a fight: He referred to his clients as "these children."

It always elicited a snickerfrom the children.
