STRONG REGULATIONS ARE ADOPTED BY ITALIAN GOVERNMENT

ROME, (UP) — Mussolini's boast of his countrymen, that "prolific we are, and prolific we intend to remain" is the key-note of the campaign against birth control propaganda organized by the Fascist government.

A great number of Italian workmen, estimated at well over a million, who traveled between France and their native country were said to be the cause of the spreading of birth control propaganda, with which the laborers had become imbued during their stay beyond the Alps.

The Fascist government, acting in close union with the Catholic Church, immediately took steps to combat the introduction of such practices into Italy, and the determined opposition of the Mussolini government led to the inclusion in the new police law of a section dealing with the subject.

Clause 113 of the new police law of a section dealing with the code declares that all writings, advertisements, pamphlets, designs, plastic images or lectures which divulge or explain or advertise means for preventing conception or avoiding its results are considered immoral and are forbidden under penalties.

Even the mere possession of literature of any kind advocating or explaining birth control becomes a punishable offense under the new law.

With the authority of the Catholic church to endorse the edicts of the Fascist government, birth control is not likely to make much headway in Italy.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

County fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passage of your head will clear and you can breathe freely. No more snuffing, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

Federal measures now pending allow \$643,000 for Oregon river and harbor service.
