**AMERICA IS BLAMED FOR LOW BIRTH RATE**  
 PARIS, April 2. - America and two of her exports, jazz and the Charleston, are blamed for France's falling birth rate, Paris doctors in conference on the vital subject of fewer births, declared that the Charleston is injurious to the woman who is to become a mother. The eccentric movements and the jerking and twisting of the body often bring about premature birth.  
 No dance in history has ever been more harmful to the health of women, the doctors declared and although nothing has been done about it more than one favored a law to forbid dancing the Charleston in France.  
 Jazz has completely revolutionized the life of many French families. Where, before the war, the average Frenchwoman was content to stay at home, getting much of her pleasure from family parties, she now entertains her friends at afternoon tea dances in the "tea palaces" where the jazz theme predominates.  
 Although for several years the birth rate appeared to be gaining over the death rate in France, statistics for the past ten months show another decreasing birth-rate.

**HELPS A PAINFUL ACHING BACK**  
 Lumbago and a stiff, aching back surged at once the need of a good diuretic to stimulate kidney secretions and rid the system of troublesome poisons that cause the distressing aches. Mrs. Black of Petersburg, Va., says: "Before I took Foley Pills diuretic, I could not stoop over nor raise up without great pain. Now since taking them I have none." Ask for Foley Pills diuretic. A prompt improvement will amply repay you. Satisfaction guaranteed. Sold everywhere. 5

## HEALTH CLASSES ARE HELD IN A CHURCH

Minister Says Good Health is a Direct Aid to Godliness

DENVER, Colo., April 2. - (UP) It is impossible to have "a perfectly function soul until one has a perfectly functioning body," Dr. Robert B. H. Bell, pastor of St. Thomas Episcopal church in Denver, believes.  
 So Dr. Bell has instituted a health class among members of his church in order that the principal "prequisite to soul perfection" may be attained.  
 The class meets once every week at the church. There Dr. Bell, aided by Capt. J. L. Bell, army physician, lectures to church members on the importance of proper diet, elimination and exercise.  
 "Do not let anyone mislead you," Dr. Bell said, "into the belief that disease are essential to saintliness. Too many dyspeptics have had a hand in the making of many of our theological opinions.  
 "Disease robs a man of ambition and takes his initiative from him. No man can be perfect in mind whose body is wracked with pain."  
 A good diet, Dr. Bell said, is perhaps the most important part of his health program. And fruit, he added, forms the principal ingredient of the diet.  
 "Get into the habit of using oranges and lemons every day," he advised. "Use no sugar."  
 He recommended the following as the menu for a perfectly balanced dinner:  
 "Broiled steak with butter and lemon, baked potato, combination salad with oil-lemon dressing, and a little honey, turnips, lemonade sweetened with honey and mixed fruits."  
**ANTI-HUNTING CRUSADE SEIZES ENGLISH INTEREST**  
 TAUNTON, Eng. - (UN) - "The human race being still barbarian, it does not seem likely that men's delight in cruel sports can be lessened except by small degrees," Thomas Hardy asserted in a message to a meeting protesting against cruel sports held here recently.  
 The meeting was held as part of a campaign throughout England against fox-hunting and trapping and shooting for sport. Many prominent persons are supporting the movement.

## IN BIG LEAGUES

(Continued From Page One)

McGraw has added Burleigh Grimes to his pitching staff, but the Sarasota season came a bit too early for the former Robbin's star to demonstrate if he is destined for a big year. The loss of Jimmy Ring, who went to St. Louis in the trade for Hornsby, is not a serious one, for Jimmy has passed his prime.  
 Having lost Young, "Irish" Meusel, Frisch, Ring and Kelly and gained Hornsby, Grimes, Rousch, Harper and a new catching staff, the New York Giants of 1927 do not look any worse than they did in 1926.  
 But handing them the pennant in advance is foolish.  
 Gold Beach - New Sanitarium and hospital here will cost \$20,000.

### Higher Quality at Lower Prices Because of Increasing Volume Production

January, 1923 - There is introduced a new Chevrolet which stands as a milestone in motor history. Among its many features are: a new and improved motor, an improved transmission, a new single-plate disc clutch, a much stronger frame, many elliptic chrome vanadium springs, coil and dash lamps and new Fisher bodies finished in Duco.

August, 1925 - Chevrolet announced a new means of value based on many new quality features - such as motor-driven Klaxon horn, improved metal construction in the body, corrugated steering wheel with walnut finish, new hooding for better protection, a more convenient gear-shift lever. Yet despite all these additions, the Coach was reduced to \$735 (f.o.b. Flint, Mich.).

January, 1926 - Another spectacular increase in value is shown in Chevrolet's new model - a model offering many mechanical improvements, such as smoother, quieter motor with three-point suspension, a silent V-type gas engine, new oil pump, more efficient cooling, an air cleaner, larger brakes, etc. None of these improvements were added to the Coach until the new model was ready for sale. The Coach was reduced to \$645 (f.o.b. Flint, Mich.).

## If Back Hurts Flush Kidneys

Drink Plenty of Water and Take Glass of Sults Before Breakfast Occasionally

When your kidneys hurt and your back feels sore, don't get worried and proceed to load your stomach with a lot of drugs that clog the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean by flushing them with a mild, harmless salt which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water - you can't drink too much; also get frequent physician about four ounces of Epsom Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and human urine, combined with sodium and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Epsom Salts is non-poisonous; cannot injure; makes a beneficial afternoon tea-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what becomes of your kidney trouble and backache.
