Your tongue says: "Thank you!" GOOD old Prince Albert in the bowl of your pipe... a cooling current of smoke pouring over your tongue... the wonderful taste of a wonderful tobacco... nothing to compare with this anywhere. Men, I tell you. You can smoke a pipe and enjoy it—with P. A. for packing. I was pipe-shy for years, before I discovered Prince Albert. I wanted to smoke a pipe. Other men seemed to get so much comfort and enjoyment from pipe-smoking. Then one happy day, Prince Albert crossed my trail. It was cool and kind to my tongue and throat. I've stuck! No matter what your previous experience has been; no matter how satisfied you appear to be with your present set-up, I advise you to try Prince Albert. You know you are in for some glorious smoke-sessions the instant you get a whiff of P. A.'s fragrance. The first pipe-load confirms the pleasure promised by the aroma. Cool as an open window. Sweet as milk fresh from the dairy. Mild and mellow as a tropic night. Mild, yet with that full, rich tobacco body that satisfies to the limit. I know you are going to like P. A. Buy a tin today!

PRINCE ALBERT —no other tobacco is like it!
