While the price has been a real inducement for people to try this line of toilet articles, Mrs. McGarry stated today, "the response has been unusual and very gratifying. We are expecting Saturday, the final day to eclipse both the opening day, and today."

Simultaneously with the announcement of R. C. Durant, that he expects to concentrate upon the Star car and make it one of the biggest sellers in the United States comes the announcement that The Third Street Garage has completed arrangements to represent that car in Ashland. Mr. Wimer is a property owner in Ashland and who has made this his home for years, will have associated with him in the handling of the car, H. L. Barto of Medford, a man who has had wide experience in the automobile business, being the first to bring into the used car business in Gordon Nebraska where he was highly successful. Immediately after war was declared he enlisted and served overseas for two years, coming to Medford after being mustered out, where for the past five and one-half years he has been chief engineer at the Hotel Medford.

These men plan on giving excellent car service, and will carry a complete stock of parts as well. The Dalles - Union Pacific will spend \$85,000 on tie-treating plant here.

New Cosmetic Line is Attracting Many

Saturday will bring to a close a most successful sales and advertising campaign of Vivian, a well known line of cosmetics at the Lithia Springs Pharmacy, according to Mrs. Daisy McGarry, manager.

BELLVIEW NOTES

"Cyclone Sally" has come to the Vining and has gone, and has left only a pleasant recollection behind. To say it was a success puts it mildly and the cast can feel justly gratified, as well as the Upper Valley Community Club which sponsored it.

Only words of praise are heard from all sides, and we are justly proud of our success. The house was well filled and our part of the proceeds was \$93.12. After all our expenses are out that will clear the Building Fund at least \$75.

The board of directors of the Bellview school held a meeting Wednesday night and considered much which had been piled up in the way of business.

Fannie Ward, Popular Actress of the American Stage

writes:

"Being looked upon as a sort of female Ponce de Leon, I have to guard not only my appearance against oncoming years, but all those other things that cruel Father Time preys upon—especially the voice. When women ask me which cigarette will not age the voice, or irritate the throat, I open my little cigarette case and show them the one I smoke—'The Lucky Strike.'"

Fannie Ward

You, too, will find that Lucky Strikes are mild and mellow—the finest cigarettes you ever smoked, made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process—"It's toasted"—no harshness, not a bit of bite.

When in New York you are cordially invited to see how Lucky Strikes are made at our exhibit, corner Broadway and 45th Street.

The Heath's Confectionery and Grocery, a new business institution will be opened Tuesday, April 12, under the direction of Mr. Heath, well known local man who has resided here for a good many years. On the opening day Mr. Heath has provided a treat for all children under five years of age. The only requirement being that the children hand in their names as they receive the treat. Considerable expense has been undertaken on account of this as each treat is valued at a nickel apiece. This will be available only in the morning. In the afternoon the Confectionery will be hosts to the older ones, and again a handsome treat will be on hand for those who visit the store on the opening day.
