CLOSE SCORES MARK INDOOR BASEBALL

First Games Are Played At The Armory Last Night

Some real surprises were sprung in the Y. M. C. A. indoor league games last evening. The scores were much closer than those of the previous week and the games were more hotly contested. In the first game of the evening the undefeated HI-Y club took the long end of a 22 to 13 score from the Hoot Owls. Batteries for the Hoot Owls were Crow, pitcher and Kaegi, catcher; for the HI-Y club they were Hartley, catcher and McGee, pitcher. The second game was played between the two undefeated teams, Normal and Battery B, the Normal taking the long end of a 22 to 26 score. The batteries were Normal, Butterfield pitcher and Laws, catcher; Battery B, Slack, pitcher and Young, catcher. This game was hotly contested from start to finish and a real brand of ball was played by both teams. In the last and hottest contested game of the evening, the Bankers emerged victors over the Employed boys team by the

close score of 35 to 34. The batteries were Bankers, Hitchcock, catcher and Peters and Butterfield pitchers. For the Employed boys, Walter, pitcher and Gillmore and Gosnell catchers. This game was the hottest one of the season and was hard fought from start to finish, first one team and then the other taking the lead. Many innings were played with no runs. Much interest is being shown in the league and some good sized crowds of spectators fill the gallery, according to those in charge. The next round will be played on next Thursday when more excitement will prevail.
