**Such Flavor**

as this comes only in real Quaker Oats

THE price you pay for substitutes is the same as for the genuine Quaker Oats. The difference is in the flavor. And flavor, above all things, is important in oats.

That rich and toasty Quaker flavor is the result of some 50 years' milling experience. Once you taste it, you are spoiled for ordinary oats.

That is why millions demand the Quaker brand—why you should accept no other.

Quaker milling, too, retains much of the "bulk" of oats. And that makes laxatives less often needed. Protein, carbohydrates, and vitamins and "bulk" are thus combined to make Quaker Oats an excellently "balanced" food.

More and more people are learning to use Doan's Pills, occasionally, to insure good elimination which is so essential to good health. More than 50,000 grateful users have given Doan's signed recommendations. Scarcely a community but has its representation. Ask your neighbor!

**SAGE TEA TURNS GRAY HAIR DARK**

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by using a mixture of Sage Tea and Sulphur. Your hair is your crown. It makes or mars the face. When it fades, turns gray or streaks, just an application or two of Sage and Sulphur restores its appearance a hair's breadth.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. Use Sage and Sulphur Compound. Use Sage and Sulphur Compound. Use Sage and Sulphur Compound. Use Sage and Sulphur Compound.
