

BELLVIEW NOTES

Mrs. W. G. Techer
Phone 2F14

The meeting of the Bellview P. T. A. was held in the school house Friday night, April 15, with a fairly good attendance. The President, Mrs. S. K. Barnes, brought up in business meeting, the matter of having a cooked food sale, or a basket supper for the serving club girls, to aid in sending their delegates to Corvallis for the summer session. It was put to a vote and decided to hold a cooked food sale and do away with the idea of a box social. At some near date this will be announced. Mrs. Norma Reedy very ably reported the County P. T. A. Convention at Oak Grove school, to which she was a delegate from the Bellview P. T. A. and at which meeting she was made vice-president of the county association.

The last jazz dance at the club house was another success. It was held after the P. T. A. meeting Friday night and a number of the members went over to the club house to enjoy the evening of fun.

In order to hold Mr. and Mrs. Dickey for our music at the dances during these spring nights we have to give them every week instead of every other week. So the committee definitely decided to hold modern dances at the club each week, as long as it proves a paying proposition. Fridays will be the night, and the next one will be on April 29th.

It is surprising how popular the new home is getting to be to others than the community. Two organizations have asked permission to rent it for two evenings this week. One for a private dance and the other for initiation purposes.

Miss Clara Huck of the Soda Springs school, is planning to give a play at the club some night next week, and we are glad to have so attractive a place for them.

The children of Mr. and Mrs. Earl Hamilton had an enjoyable Easter party Sunday afternoon, with a number of their 14 little friends invited. It is needless to say they all had a wonderful time and were tired when the day was done.

The benefit party at the apple-packing house belonging to Bert Thomas and to be held Friday night April 22, promises to be a success. Tuckers Orchestra or a part of it will furnish the music, and though the floor is not perfect, it is very good for an old-fashioned dance and if one goes with the right spirit he will have a good time.

SAN FRANCISCO QUAKE BRINGS UP MEMORIES

(Continued from Page One)

For three days the fire raged. Golden Gate park was a refugee camp. Looters were shot down as they prowled through the ruins. The Palace hotel was in flames. Streets were filled with brick and debris. Market street was a trail of desolation. Smoke and ashes poured upward. Banker and laborer toiled side by side in the wreckage. Buildings shuddered and fell as dynamite was used to check the flames.

There was not water—only fire. Caruso, plunging headlong in night attire from his hotel, vowed never to return to San Francisco and never did. Nineteen babies were born in Golden Gate park. A hundred thousand persons fled to the city, cramming highways, trains and steamers. Twenty eight thousand buildings burned to the ground. The property loss in the quake and fire was \$400,000,000.

In the last twenty one years \$700,000,000 has been spent in replacements.

METHODIST CHURCH ITEMS

The record for Sunday School last Sunday is an eventful one in the history of the M. E. church. A goal for an attendance of 400 was set, but when the count was made it revealed a census of 435 and a Sunday school offering of \$54.49.

As evidence of the increasing growth of the church is the ceremony enacted last Sunday in which 19 persons were taken into membership and 35 children and young people were baptised. At this same morning service the pastor, Rev. H. F. Pemberton, delivered the sermon entitled "The Message of the Risen Christ" in which he emphasized that the Resurrection is not a past event in history but a transformation in which Christ lives again in the hearts of the faithful.

HOW DO YOU FEEL ON ARISING?

Very likely your kidneys control your answer. It is glorious to awake with a lively, healthy, energetic body. It is miserable to drag an aching, tired, weary body from a sleepless, restless bed. Foley Pills, a diuretic stimulant for the kidneys, constantly used over 25 years, are a reliable, valuable medicine that promote healthful, normal action of kidneys and bladder. Cost little, contain no harmful ingredients. Satisfaction guaranteed. Ask for Foley Pills diuretic. Sold everywhere.

PRESBYTERIANS TO RAISE FIVE MILLION

Laymen Direct Drive for Ministers Pension Fund

MEDFORD, Ore., April 18.—To raise \$5,000,000 in two months is the task which Presbyterians of the West have set themselves, under the leadership of Will H. Hays, Andrew Mellon and other leading laymen of the church. The record-breaking total for these Presbyteries is the final third of a \$15,000,000 fund intended to put the ministerial pensions upon an actuarial basis. The Laymen's Committee of the church assumed the task at the last General Assembly after it was shown that the present 210 year old system was not sound.

Klamath Falls Visitor—Mrs. Frank Crowson, accompanied by her daughter, Mrs. Elsie Bussey, who has been visiting in Ashland for some time, spent Saturday in Klamath Falls.

In Hospital—Mrs. F. J. Swenning of Church street has been a patient at the Community hospital for the past few days, having undergone a serious operation.

Modern preference finds its choice in Camel

PRESENT-DAY taste singles out Camel as its ideal cigarette. This age is the most exacting ever known and it rates Camel first. Camel taste and fragrance come from the choicest tobaccos grown. They lead to supreme smoking pleasure.

You'll never find a higher standard of goodness than in this favorite cigarette. Your own enjoyment will confirm the overwhelming choice of modern smokers.

To know how mild and mellow the quality cigarette can really be— "Have a Camel!"

Q. How does the car owner benefit by the United States Rubber Company's operation of its own Cotton Mills?

A. Cotton Cord is the backbone of every tire. So no tire can be better than the cord used in it—and the quality of United States Tires benefits greatly by these cord mills.

They were established ten years ago solely for the purpose of producing an adequate supply of uniformly high grade tire cord, made strictly according to the specifications laid down for United States Tires.

The establishment and operation of these mills, like every other United States Rubber Company development, leads directly to longer tire life and greater value for the car owner's dollar.

APPLE SCAB SPRAY

The large amount of moisture received this spring may result in a serious infestation of apple scab. The first spray application for the control of this disease should be after the cluster buds have separated and as the blossom buds are showing pink. Use liquid lime sulfur, two and one-half gallons to one hundred gallons of water.

If aphids are present add one pint and a half of Black Leaf 40 to a two hundred gallon tank of your lime sulfur lotion. Spray thoroughly and cover all parts of the tree.

REMEMBERS TIDINGS FORCE

The Tidings force was very kindly remembered by D. H. Jackson recently when he brought in a fine big jug of apple cider. The cider hit the spot, and every member of the force join in thanking him.

Making Improvements—

A. A. Madden is making extensive improvements in his tire shop on North Main street, and is installing some new Helms electrical equipment, which will make the shop up-to-date in every way.

Registered Cars Here—

About 40 out-of-the-state cars were registered at the 10 c a 1 Chamber of Commerce yesterday among whom were: H. A. Strawn, of Sage, Idaho, Karl Keith of

Toppenish, Wash., H. H. Michels of Oakland, Cal., Clinton Sprague of Willits, Cal., H. H. Walle of Seattle, Wash., and M. P. Canon of Sacramento, Cal.

Made Trip to Crescent City—Fred Schuerman of Ashland and W. C. Holmes of Grants Pass, son of Mr. and Mrs. H. P. Holmes on Manzanita street, made an au-

tomobile trip to Crescent City re- tests. They are both employes cently to look after business in- of the Standard Oil company.

The Main Thing

Some wise man has said that a good reputation is one of the things that have to be arranged for in advance. In our business we consider it the main thing. Equipment, skill—even the desire to serve—would be vain without the confidence of our fellow-citizens.
