Western Auto's New Customer TIRE SALE

AT OUR MEDFORD STORE

THESE greatly reduced tire prices will soon be history—perhaps, in the face of persistent rumors of a general increase in tire prices—never to be repeated. This, with the rapid approach of the Spring touring season, should be an incentive to quick action by car owners who failed to buy during the first week of this memorable sale. Even if your tires will last a little longer, you should anticipate near-future needs right now, while these substantial savings are available.

The tires offered in this welcome sale are the same Wear-well and Western Giant cords and balloons of which motorists purchased more than \$6,000,000 worth in 1926. Every tire is new, fresh stock, carries manufacturers serial number, and is backed by our "Good-as-Gold" Guarantee.

REMEMBER—MONDAY, MAY 2nd is the Last Day.

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Healthy, Made Smooth, Says Specialist

Any breaking out of the skin, even itchy, itching eczema, can be quickly overcome by applying a little Menthol Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and keep eruptions back as rash, pimples and ring worms.

It seldom fails to remove the treatment and discomfort, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from itchy trouble should obtain a small jar of Menthol Sulphur from any good drug store and use it like cold cream.
