Lithia Program Thought to be Most Valuable by Local Hotel Man

Expressing decided pleasure with the program adopted by the Chamber of Commerce as pubished in a recent issue of the Tidings, R. W. Price, manager of the Lithia Springs Hotel and Ashland's oldest department Crater Lake Lodge, in a statement issued today, declared that the Chamber could feel that they had his whole hearted backing in the constructive plans upon which they are working.

"The Lithia Water," said Mr. Price "is the most valuable asset that the city of Ashland owns, and the fact that there is going to be some constructive work done, to develop this, looks to me, like the first step in what could be a wonder-Another step forward in the ful development program, and which will mean additional bustness stimulus to the entire community. I want the public to receive my wholehearted sup-

UNITY CENTER MEETING

First Come First Served Will Rule Governing The Lithians state that everyme must be on hand at sharp

noon tomorrow to reserve their seats for the big Lithian Cabaret Chief Defense Consul Claims Personal Mail Being Tampered With GATHER LOOSE ENDS

Black Bag Found Near Crime is Traced From Eugene to

JACKSONVILLE, May 9,-Aleged rumors that L. W. W. money was being used to defend Hugh D'Autremont, accused train dynahowling hard times, is the time miter were dealed today by Fred W. Smith, chief defense counsul, who charged that such stories were being circulated, but he said they were a lie. He also charged that personal mail, that he mails out was being opened before, it reached its destination. He did not direct his charges against any

one in particular. The state continued to gather in the loose threads that have tangled D'Autremont with the dynamiting of the train at Siskiyou Oregon, in 1923, when four men were killed.

Black Bag The black bug found near the ene of the crime had been shipped from Eugene to Portland, according to the testimony of E. E. Irvine, a clerk for the American Railway Express company at Eugene. An express reciept was identified showing the bag left Eugene by this witness who was followed on the stand by Walter L. tzen of Ashland will show their Wright of Portland, also an emwho testified that the bag had reached Portland and had been called for there by one of the was introduced with the D'Autremont signature on it which proved

of selling an automobile to D'Autrement, and produce contract used in the purchase the car. Two other men were D'Autrement when this car finally purchased according to the witness, they being heavy set. and about reve feet secon inches

At the time the car was purchased they declared they were going on a two month's vacation, STILL MISSING going on a two month's vacation, and made several payments on the car before the time they were due. This was an unusual procedure. according to the car dealer, upon cross examination by John Collies defense counsul and was one the reasons why he remembered the transaction so distinctly.

Game Warden Testifies Roy Parr, of Ashland, deputy game warden, testified that he was with Beagle, Ramires and Stratton when the grip and cap were found near the scene of the crime.

A .45 automatic cartride tha had been exploded was told about the same as that found at the two Maurice Caturi, a special
