"TIZ" FOR ACHING, SORE, TIRED FEET

Good-bye, sore feet, burning feet, swollen feet, sweaty feet, smelly feet, tired feet. Good-bye, corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "Tiz" is magical, acts right off. "Tiz" draws out all the poisonous exudations which puff up the feet. Use "Tiz" and forget your foot misery. Ah! how comfortable your feet feel. A few cents buy a box of "Tiz" now at any drug or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.

BELLVIEW NOTES

Mrs. W. G. Tucker
Phone 2714

A baby girl was born to Mr. and Mrs. George Yockell of this district on Friday, May 6. Mother and child are doing well.

This is the last week of school, so far as regular school work is concerned, and the youngsters are beside themselves with joy in anticipation of the summer's vacation.

The P. T. A. of the Bellview school is planning to hold their last regular meeting on Tuesday night, May 17. It is moved forward to Tuesday on account of the many activities occurring on the last part of that week.

The modern dance held at the club house last Friday night was well attended and a success financially. The dance committee announce another one just like it for Friday night, May 13.

The club house is being shingled this week. It has stood through the winter with only ship-lap siding, but the warm weather coming on will warp the boards so that the trustees have decided it must be covered at this time. Mr. Hood is doing the work.

A well-known man made this remark to the writer a few days ago, "We will have to hand it to the women of the Upper Valley Community Club, for they surely are putting it over." The writer came back with this which is truly symbolic of us:

"If a string is in a knot, Patience will untie it. Patience will do anything. Did you ever try it?"

Mrs. Henry Flock, and two little daughters, Hazel and Edna, of Yreka have been visiting for the past week with Mrs. Flock's parents, Mr. and Mrs. Boyd Tucker of this district. Mr. Flock drove over for them and they returned to their home Sunday afternoon.

Mr. R. E. Newby, who has charge of this end of the Talent irrigation ditch, is busy with a bunch of men repairing damage done to the ditch line in last winter's high water. At present they are replacing the siphon across the creek just beyond Jackson Hot Springs which was completely washed away.

"In The Heart of Town"

A Contrast in Chinese Leaders

Pi Ahou-chou
The one looks like a buck private, the other like some generalissimo from a light opera. But Chiang Kai-shek, ill-fitting uniform and all, is the supreme guiding eye of the recently victorious Cantonese forces in China.

Chiang Kai-shek
Admiral-General Pi Ahou-chou is in command of all the troops of the Peking government in the Shanghai district—which means he leads the retreat. And if it's by water he's an admiral, by land a general, because his title is "reversible" and may be used as he sees fit.

FINED \$25.00

Ray Moore, lumberjack employed in a Rogue River camp, was fined \$25 and costs by Municipal Judge C. H. Baughman Tuesday evening when he entered a plea of guilty to a charge of

illegal possession of liquor. Moore was arrested by State Highway Sargent O. O. Nichols, Tuesday evening when a bottle of fire-brand moonshine was found in his possession. He was released upon payment of the fine and costs.

Drink Water to Help Wash Out Kidney Poison

If Your Back Hurts or Bladder Bothers You, Begin Taking Salts

NELLIE DICKEY, Attorney for Plaintiff, Residing at Ashland, Oregon. 194-6-Wed.

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a teaspoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

NOTICE OF FINAL HEARING
In the County Court of the State of Oregon for Jackson County.

In the Matter of the estate of Victor Hugo Dale, whose true name is Victor Hugo Lock. Deceased.

Notice is hereby given that the undersigned, administratrix of the above named estate, has filed her final account in said county court and that the court has fixed Monday the 6th day of June, 1927 at ten o'clock A. M. and the court room of said court as the time and place for the hearing of any objections there may be to the said report and the settlement thereof.

Date of first publication April 20, 1927.

NELLIE DICKEY, Administratrix

Why Firestone GUM-DIPPED TIRES Wear Longer

WE recently were given the tremendous advantage of having the mammoth Firestone factories brought to us. In Tire Educational Meetings we were shown, by means of motion pictures, charts, tire samples and complete engineering data, the details of Firestone tire design and construction—and how Firestone and Oldfield tires and tubes are made in the world's most efficient and economical rubber factories.

Firestone pioneered the original low-pressure tire and made it practical by Gum-Dipping. The motion pictures showed us how the cords of the carcass are dipped in a rubber solution, thoroughly saturating and insulating every fiber of every cord with rubber. Simple demonstrations and tests illustrated the great advantage of this process, which supplies the extra strength to withstand the extra flexing strains of low-pressure construction—one of the reasons why Firestone Gum-Dipped Tires are establishing such unheard-of mileage records.

We learned why the Firestone Balloon Tread gives extra safety, comfort and long wear. We were shown why Firestone, from the very beginning, designed and continue to use the round Balloon Tread, minimizing "shoulder breaks", so destructive to tires. Excess rubber at the edges of a Balloon Tread is wasted—actually detrimental to tire mileage. In the Firestone Tread the small units and sharp projections are scientifically placed to permit easy flexing, resulting in extraordinary riding comfort.

Come in and let us put a set of these Gum-Dipped Tires on your car—you can forget about tire trouble. Quality is higher than ever before—prices are lowest in history. Buy now!
