War Enemies - Pals Now

In the dark days of the World War, Lt. Patrick and two men poured bullets at one another at 50 yards. They were Harry Ratcliffe (left), then a lieutenant in the "Little Black Devils," a Canadian machine gun battalion, and William (right), then a private in the Imperial German infantry. Now they are fellow employees for an electric company in Chicago.

Although Indianapolis went through a violent tornado without loss of life, houses in certain residence districts looked as if they had been under shell fire. This shows a section of frame dwellings unroofed and battered by the howling wind, which struck just at dusk and without warning.

Council Plans New Ordinance
 The contract of clearing the city dump two miles east of town, will soon complete the work according to Mayor C. A. Pierce.

The contract for the work was awarded Mr. Dodson at his bid of \$400 and the work is well done, Mr. Pierce said.

An ordinance which will provide for a systematic collection and disposal of garbage under contract, is being worked out by the city council. It is believed, Mr. Pierce said, that a regular collection of garbage would solve the problem of keeping the city dump in good condition.

Keep Elimineative System Active
 Good Health Requires Good Elimination.
 ONE can't feel well when there is a retention of poisonous waste in the blood. This is called a toxic condition, and is apt to make one tired, dull and languid. Other symptoms are sometimes backaches and headaches. But the kidneys are the eliminative organs. Every one should have a good elimination system. Many people have found the value of Doan's Pills, a stimulant cleanser, when the kidneys were clogged. Doan's Pills are sold in every drug store.

NOT A SECRET - JUST COMMON SENSE
 The neighbors of Mrs. Arthur De Mulle, Grammer, N. H., were curious to know what medicine she took that "noted like magic," in restoring her health. "No secret at all," she says, "just common sense. I saw Foley Pills advertised and began taking them. I feel fine now, after 15 years suffering from kidney trouble. I never have a tired feeling, and am active and happy." Men and women everywhere use and recommend Foley Pills. Satisfaction guaranteed. Ask for them. Sold everywhere - No. 1.
