CITY COUNCIL ACCEPTS BOOT PARK REQUEST

(Continued From Page One)

of the trustees of erecting a Root memorial in the park—the design and type to be determined later.

Councilmen unanimously accepted the gift, and in an ordinance pledged the city to care for all time the graves of the donor and his wife, Virginia M., in the Ashland cemetery.

Pool Hall Question

The city solicitor was requested to amend the present ordinance which provides for a \$15 year per table tax on pool halls, in order that this tax be cut in half. Considerable discussion preceded this action. Pool hall proprietors have complained recently that since the removal of railroad trolleys from Ashland this tax is excessive.

Councilmen Kay, Bergner and Thornton voted in favor of the measure. Peters and White were opposed, asking an investigation be made before action was taken. The present \$15 tax was in effect for the last two years.

Sewer Wanted

Mr. Durfee, whose property is on the corner of Harrison and Pennsylvania streets, told city councilmen that for the last six years he has had trouble in disposing of waste water and he wanted the city to provide, either a sewer or other means of carrying away the waste water. His lot is isolated from sewers, and he is unable to connect up with any nearby sewer as "water" won't run up hill." The matter was referred to the sanitary committee by Mayor Pierce.

Garbage Disposal

City Solicitor Wm. Briggs read two tentative documents, one a franchise, the other an ordinance, providing for the disposal of city garbage. L. H. Leach, representative of the state health department, who has spent several days in Ashland was present and offered some suggestion in regard to this proposed legislation.

Sewage disposal is one of the biggest problems which the state health department faces, he said.

This matter, too, was referred to the sanitary committee for investigation, and some definite action will be taken within a short time.

Provisions of the proposed regulation provides for the disposal of all waste materials, through contract or franchise, rates to be determined later. Mr. Leach offered his assistance in working out an ordinance which will best take care of the matter.

Feeding of garbage was also discussed and state regulations were explained by Mr. Leach.

Street Repairs Needed

Third street between B and C streets is in a bad condition, according to a complaint signed by numerous residents on the street and presented to the council last night. Earl Hoeler, water superintendent, explained that the poor condition of the street was due to leaky water mains and springs. He recommended new water mains to replace those now in the street which were installed 14 years ago. The matter was referred to Mr. Hoeler and the street committee for further investigation.

Fire Chief Clint Baughman was authorized by councilmen to accompany the fire prevention caravan to Marshfield, and to attend the state fireman's convention and national convention to be held in June.

Installation of a pump at the Heath dwelling, discussion of the sulphur water at the city park as presented by Frank Jordan, park board member, were briefly discussed.

All councilmen save Dr. E. A. Woods who is attending a medical meeting in Spokane, Washington, were present.

CAN'T BEAT "TIZ" WHEN FEET HURT

Just take your shoes off and then get those weary, shoe-crinkled, aching, burning, corn-pestered, blisters-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "Tiz" bath.

When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "Tiz." It's the only remedy that draws out all the poisonous exudations which put up your feet and cause foot torture. A few cents buy a box of "Tiz" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel.

Meanwhile, from the massed crowds which stood back of a line of German policemen drawn up like German soldiers, came repeated cries of "Hoeh Chamberlin! Hoeh Levine!"
