Crater Lake Fans Eager

"Is Crater Lake open yet?" was a frequent query heard Sunday at the police headquarters, where many tourists stop to inquire concerning registration of their automobiles. Many California folks seem anxious to be able to reach the park, where it is said fishing will be exceptionally good this year. The official opening date is set for July 1, but many tourists will doubtless make the jaunt over the snow to reach the lake before that time.

ATTORNEY IS GUILTY

Man Well Known Locally As Result Of Suit Against Police Chief

Paul Dormitzer, former Portland attorney, well known in Ashland as a result of his activity in filing a \$50,000 damage suit against Chief of Police George W. McNabb of Ashland last December, in the name of Jess Tomlinson, who conducted a barber shop here, has been convicted of obtaining money under false pretenses in North Bend, Coos county, where he has made his home for some time. He was also held on a charge of embezzlement in the circuit court at Coquille, by Judge J. H. Stevenson of Portland, who is occupying the bench in Coos county.

Dormitzer has filed many famous damage suits against law enforcement officers of Oregon, one of them being a suit against Wm. Levins, state prohibition director.

Dormitzer has filed notice of appeal and his bond was fixed at \$2,000.

1,000 Enroll For Summer

UNIVERSITY OF OREGON, June 20. — (Special) — Between 800 and 1000 students are expected to register for the Eugene summer school session of the University of Oregon which starts Monday, June 19. A similar number is anticipated at the Portland summer session. This will be a notable increase in attendance over previous years.

BOAS SMASH PELICANS IN 10-INNING BATTLE

Robbins hit a dandy but it went straight into the sticky mitt of a Pelican. Gray struck out, putting the side in the field again. Heath, first at bat for the Pelicans in the sixth, fanned, Fuller and Powell, went out at first. Miller made the first out for

The Boas in the seventh, when he went out at first. Morgan lined out a good one into the field, but the Pelicans fumbled and he trotted to base. Force struck out. Davis hit a two bagger and

brought Morgan in home. Then Marlow went out at first. In the latter half of the seventh Dubac popped up a specimen of Davis corkscrew work and it went straight to the well. Fraley went out at first, and Foss imitated Dubac.

The Rally
In the eighth inning the Pelicans rallied and scored four runs making things look pretty black for the Boas with the score tied.

Boas were first at bat. Hanjout put in a speedy on and fanned Hughes, then Gore and Robbins went out at first.

Bruan was first up to bat for the Pelicans, made a safe hit. Peterson put the ball out to first and Boas ripped and fumbled while Bruan advanced. Then Heath went out at first. Fuller at bat put the ball into the field and went to first. Powell knocked a clean two bagger, scoring Bruan

Peterson and Fuller, making three scores. Then Dubac put the ball on its way, and Powell came in safe. This run tied the score. Then the gallant Davis screwed in three balls that Praty, the next Pelican at bat couldn't find, and ended the inning, with everyone wild.

Neither team scored in the ninth. Gray at bat for the Boas went out at first. Miller got to first on an error, went out on third. Morgan went to first on an error, putting Miller on third where he died. Morgan advanced to second. Force went out at first.

Three Pelicans went out in succession in the last half of the ninth inning.

Then Davis at bat in the tenth, once again coming straight to the plate from the box, hit a two bagger. Marlow followed with another two bagger and brought

Davis in home, making the score 5 to 4 in favor of the local team. Three outs followed then in quick succession.

In the last half of the tenth, Orr replaced Force at the receiving end of the line and dropped a ball letting the Pelican at bat go to first base. The next Pelican grounded to second baseman Morgan, who let the ball go between his legs. Two bases full and no outs, the Lithians leading by only one run, the situation was critical. Then Davis, with the same perfect control he exhibited throughout the game, bored through some corkscrews, and fanned and struck out three Pelicans, ending the game.

Considerable dissatisfaction regarding the umpire's decisions both teams hooting at him on a number of occasions.

The crowd was the biggest of the season.

Normal Busy Place Today

Southern Oregon Normal school was a busy place today as from all sections of Oregon, from California and Idaho students registered for the summer term. Most of those registering were teachers, some of them who attended the Normal school last summer during the first term of work done at the new institution. Faculty members, most of whom have been out of town for the past five days enjoying the mid-term vacation, were back on the job. Miss Katherine Vincent, registrar and her assistants were busy in locating the newcomers.

Talking Arm Limitations

WASHINGTON, D. C., June 20. — (P) — The difference between American and British proposals for limiting the auxiliary naval craft was presented to the Geneva Three-Power conference today, and is not serious enough to prevent agreement, according to administration circles. The basic principle provides for five-five-three ratio for the United States, England and Japan, was apparently accepted by England. The United States may accept the English proposition to limit the size of submarines, and to limit cruisers to 7,500 tons.

Old Folks Hike To Crater Lake

Hiking seven and one-half miles over the snow to Crater Lake, was not exactly a picnic for E. C. Sutcliffe, 71 and his wife, 61, according to a message received by Game Warden Roy Parr, but their son found the trip a most pleasant one. Mr. and Mrs. Sutcliffe and son are from San Francisco and recently were returning home, much disappointed at having been unable to reach Crater Lake when they met the game warden who told them they would be able to reach the lake if they didn't mind the jaunt over the snow. Mr. and Mrs. Sutcliffe said they were seasoned mountain climbers and believed they could make the trip with little trouble. They reported to Mr. Parr they enjoyed the trip and found the fishing fine.

Wanted More Life Took "Dead" Job

YREKA, Cal. June 20. — (P) — The inactivity of his job as conductor on the short railroad between Yreka and Montague has palled on Robert Strycker to such an extent that he has resigned the position to become sexton in the Evergreen cemetery, near here. Competition of automobiles and trucks cut into the railroad's territory, with a consequent falling off of business. Strycker had been a conductor on the road for the past seven years, but finally quit with the explanation that he needed more active employment.

Mom and Pop

THE DOUGH I MADE OUT OF THE BUTTER DEAL CAME TOO EASY TO GIVE ME ANY GREAT KICK — THE ONLY FUN I'LL HAVE WITH IT NOW IS DOING FOR THOSE WHO NEED IT — AND AS LONG AS I HAVE A DOLLAR IN MY POCKET THIS FAMILY SHALL NEVER WANT FOR A THING

I'M SO GLAD YOU FEEL THAT WAY, POP — I'M GOING SHOPPING TOMORROW AND CAN USE THIRTY DOLLARS!

AW SHUCKS, MOM, MAYBE I DID — BUT IT ISN'T MY NATURE TO BE THAT WAY —

BUT POP DIDN'T I UNDERSTAND YOU TO SAY THAT YOU WEREN'T GOING TO HELP THEM OUT?

I'VE JUST BEEN OVER TO SEE DOT, MOM — SHE'S FEELING A LOT BETTER — I TOOK ALL THE BILLS SHE HAD STANDING OUT AND PAID THEM OFF — SAY! YOU SHOULD HAVE SEEN THE EXPRESSION ON HER FACE — IT DID HER MORE GOOD THAN ANY MEDICINE
