Playground Has Fine Ball Team

Ashland Playground baseball team is all ready to book games with all comers. Under the direction of Lawrence Gill the playground championship was won, and a team then organized. Jack Baldwin is captain of the playground team and Gill is manager. They say they play a fine brand of baseball and can "heck" anything their size.

Baseball is one of the most popular sports on the playground and if Ashland folks would just "come across" a furnish a little more equipment, the handicap under which the games are now played—"turns" being necessary in order that all may play—might be removed.

HENRY FRAME IS DIRECTOR

Phoenix School District Board Organized - Talk County Unit

Henry W. Frame was named director of Phoenix school district Monday, and Dr. B. Webster was named clerk of the board.

Judge W. D. Barnes was chairman of the business session and introduced Rev. Roy Nelson who spoke opposing the county unit system.

"I am opposed to the county unit system as proposed on the election ballot for these reasons: First, it is un-American and a step backward toward the rule of bureaucracy, commission and agencies, a condition which people have been trying to escape all down through the history of mankind," Rev. Nelson said. He advocated the standardization of schools through a campaign of education.

Inventor Ends Long Service

Thousands of highway travelers in all parts of the world today hail Thomas H. Grey, Southern Pacific pensioner retired after nearly forty-one years service, as "Father of Highway Safety."

In 1884, while working in the railroad's car repair shops at San Francisco, Grey designed the now familiar cross-arm railroad crossing sign. The first of these signs, on a redwood standard 18 feet high, was used to mark a railroad crossing in San Francisco.

COLLEGE COMES HIGH

PLUCKY GIRL DOES RESEARCH WORK

BERKELEY, Calif., June 21.—(AP) - The wildest parts of Mexico held no fear for Ynez Mexia, field collector for the botany department at the University of California here.

Miss Mexia is now classifying the 14,000 specimens of Mexican flora she gathered while travelling alone for seven months through sparsely inhabited sections of Mexico.

To obtain some specimens of rare plant life Miss Mexia was forced to penetrate far into the interior. Mules for narrow mountain trails and dugouts for river travel were the only modes of transportation available. At times she was five days' journey from the nearest railroad.

"Despite these dangers," she said, "I never had an accident. I have passed unharmed through localities reported to be infested with bandits, tarantulas and wild animals."

"I was lucky," Miss Mexia will return to Mexico in the midsummer to continue her field work for the university.

HUGH FACES HANG-MAN'S NOOSE NOW

(Continued From Page One) remembered, testified the D'Autremont boys were in her apartment from September 26 to Oct-

ober 10, 1926.

United States District Attorney Neuner, who has assisted in the prosecution, during his argument stressed the point that the defense counsel had tried to intimate that a case had been framed against the defendant by the agencies handling the prosecution and vigorously denied such an inference.

At one period, he crouched before Attorney Newberry and in thunderous tones challenged him for making inferences along this line. Newberry told him "to talk to the jury" or "wait until they got outside", but Neuner insisted he wanted to talk to him before the jury - and talk to him he did, while the courtroom enjoyed the by-play, which was the most interesting of the morning session. Previously Neuner had drawn a reply from Defense Counsel Collier in connection with his remarks regarding any possibility of a frame-up in the case. The sheriff's aide had risen during this side show attraction, but no interference was necessary.

Neuner was fortunate, according to spectators at the trial this morning, in that the temperature had moderated and was considerably cooler than it was yesterday afternoon, for, if he had been forced to have gone through his "athletic" speech yesterday afternoon it would have been rather uncomfortable for him.

Using energetic gestures and frequently crouching as he roared some statement, or pointing his finger accurately at the defendant

NOTICE OF SHERIFF'S SALE

By virtue of an execution on Foreclosure duly issued out of and under the seal of the Circuit Court of the State of Oregon, in and for the County of Jackson, to me directed and dated on the 7th day of June, 1927, in a certain action therein, wherein G. C. McAllister as Plaintiff, recovered judgment against Harry L. Shoults and Lura K. Shoults, the defendants, for the sum of Three thousand six hundred eighty and 5/100 Dollars, (\$3680.95) with interest at 6 per cent per annum, with costs and disbursements taxed at Eighteen and no/100 (\$18.00) Dollars and the further sum of Three hundred fifty and no/100 (\$350.00) Dollars as attorney's fees, which judgment was entered and docketed in the Clerk's office of said Court in said County on the 2nd day of June, 1927.

Notice is hereby given that, pursuant to the terms of the said execution, I will on the 16th day of July, 1927, at 10:00 o'clock A. M. at the front door of the Courthouse (Armory Building, 3rd and Bartlett) in the City of Medford in Jackson County, Oregon, offer for sale and will sell at public auction for cash to the highest bidder, to satisfy said judgment, together with the costs of this sale, subject to redemption as provided by law, all of the right, title and interest that the said defendants Harry L. Shoults and Lura K. Shoults had on the 29th day of July, 1926, or now have in and to the following described property, situated in the County of Jackson, State of Oregon, to-wit:

Beginning at a point 686.4 feet North of the Southeast corner of Donation Land Claim No. 45 in Township 37 South, Range 2 West Willamette Meridian and running thence West 2547.9 feet to the West line of said claim, thence North 336 feet, thence East 2546 feet to the East line of said claim and thence South 335 feet, more or less, to the place of beginning. Dated this 11th day of June, 1927.

RALPH G. JENNINGS, Sheriff of Jackson County, Oregon. By Olga E. Anderson, Deputy. 242-4t Tues.

he was unquestionably the most vigorous speaker on either side. He branded as a lie the report which has been circulated that the U. S. Government had paid Heinrich a large fee for his testimony, stating the U. S. Government had never paid him a cent in this trial.

He said the comparison by the defense between the "boy" defendant and the powerful interests on the prosecution side was merely to create prejudice. Circumstantial evidence was stressed throughout his speech. He said nobody could really tell what happened during the dynamiting of the train and the murder of four men, except the defendant and his co-conspirators, whom they could not force to take the witness stand. However, he said he could make deductions based upon the great mass of circumstances which had been introduced into the trial.

Discrepancies in these circumstances merely strengthened them, he stated, for it proved an honest intention of the witnesses to describe accurately what they saw.

He retraced most of the testimony and exhibits which had been introduced and answered many of the points made by the defense counsel in their arguments.

"OLD WEST" DISAPPEARS LOS ANGELES, June 21.—(AP) The dignity of the court was pushed the "old west" into the background.

Superior court judges here have formally placed the ban on smoking and donning of hats during recess hours. In the past individual members of the bench have now and then or not attorneys, clerks, jurors and spectators might wear their hats and enjoy a pipe, cigar or cigarette in moments of relaxation.

Women are not included in the anti-hat edict and to date have have tempted judicial wrath by indulging in cigarette in the presence of the remedial judge.

ENTERTAINING HOPES THAT THE MYSTERIOUS STRANGER OF WOMEN OF THE NORTHWEST MAY SOON BE SOLVED. Portland police today awaited the picture of Earl Nelson, alias Earl Ferrell, now held in Winnipeg, charged with the murder of two women.
