## VICTORY FOR S. O. NORMAL IS ASSURED

Big Attendance Marks Initial Game in History of Southern Oregon Normal Football History—Pirates of Albany Outweight the Locals—Battle Rages.

Neither Southern Oregon Normal or Albany was able to put across a touchdown in the first quarter of the game here this afternoon; but in the second quarter S. O. N. S. scored the first touchdown, when a long pass was executed. The visiting S. O. N. S. players continued their onslaught and put across another touchdown during the second quarter, the half ending with the score 12 to 0, in favor of the locals.

Although outwitted, the S. O. N. S. players, who had previously been prevented from playing by various bad breaks of luck, were playing a splendid game. When the Ashland football squad trotted onto the athletic field today ready for the first clash with a real opponent, a mighty cheer went up from the bleachers. College football is inaugurated in this city.

The husky squad from the Albany school outwitted the Sons and have had much more experience, but there was no more pep and certainty in their bearing than there was in the bearing of the squad which Coach Mac McNeal has whipped into shape.

They were truly a husky group of gridgers—outstanding in their bright new sweaters and their new uniforms. The weather was ideal for the scrimmage.

A big crowd was present. The bleachers were filled. Under the direction of cheer leader, L. B. school spirit body cheered heartily.

On the Ashland squad was: Bogs, quarter; Parks, tackle; Barleson, half; Gosnell, half; Redwine, tackle; Hall, guard; Johnson, center; Pittenger, guard; Caldwell, center; May, end; Conrad, half; Mercer, fullback; Prouse, half; Roberts, end; Johnson, guard; Spears, half; Dickson, tackle; Cantrell, guard; Heffner, tackle; Rice, guard and Shield, end.

On the Albany squad were: Bangert, tackle; Borden, half; Campbell, end; Cochran, guard; Cox, fullback; Dennis, guard; Daugherty, halfback; Edstrom, quarter; Elder, half; Fate, tackle; Goodman, quarter; Green, half; Gillett, end; and Krappier, end, and the regular: Long at half; Peterson, guard; Pike, guard; Sheaver, center; Thompson, half; Tolstad, tackle, and Woods, guard.

Officials of the game are Kramer of Grants Pass, referee; Pitt, Grants Pass, umpire; Cochran, O. A. C., head linesman.

## JUNIORS WIN GAME FRIDAY

Ashland Junior Gridgers do Fine Work in Contest Yesterday

Scoring two touchdowns, and holding the Junior Tigers of Medford scoreless, Ashland Junior High gridgers won their first game by a 12 to 0 score yesterday afternoon.

A week previous the two teams fought to a tie in a game at Medford.

James Hall, playing right half scored both touchdowns for the locals, scoring the first in the first quarter of the game when he pushed the pigskin over the goal for a line buck, and the second in the four quarter on a brilliant 45 yard run.

James Hall and Sidney Hall at fullback are brothers of Frank Hall, the stellar Frosh player of the University of Oregon, who scored against the senior high of Ashland in the Rock-Grizzly contest a week ago today.

Arthur Gilbert did some splendid punting in the game yesterday afternoon.

The Ashland line held the Junior Tigers for small yardage gains and comparative yardage made by the two squads showed the locals much the more aggressive. Much of the yardage was made on yard bucks, passes in many instances being incomplete.

Last year the juniors, champions of southern Oregon, scored 78 points against their opponents as compared with the six points scored against them. They twice defeated the Medford squad.

Coach C. V. Howell said he is making an effort to book a game with Klamath Falls, Yreka and Roseburg Junior high, for the remainder of the season.

Approximately 200 people attended the game yesterday, played at the high school athletic field.

The Ashland lineup was as follows: Neal Fay, center; Henry Parks, left guard; Glenn Field, right guard; Donald Curry, left tackle; Wardlow Howell, right tackle; Glenn Head, left end; Donald Robbins, right end; James Hall, right half back; Lawrence Gilbert, left half back; Arthur Gilbert, quarterback; Sidney Hall, full back. ## SELL OREGON ASHLAND JOB CONWAY SAYS

Splendid Address is Delivered at Chamber of Commerce Banquet Last Evening by Representative of Oregon A. A. A.—Moving Pictures of Scenic Beauty Enjoyed.

No city in the state of Oregon has more opportunity to sell the beauties of the state to the tourist more effectively than has Ashland. Ray Conway, told the near 100 Ashland men and women who last evening attended the chamber of commerce banquet at the Lithia Springs hotel.

Mr. Conway, a fascinating speaker of unusual ability, a mountain climber who has scaled the ice bound peaks of practically every mountain in Oregon, and who is a representative of the A. A. A., is probably more conversant with history of the scenic beauties of the state, proved to be a delightfully interesting inter-talker.

Familiar with the Indian legends concerning every natural beauty spot in the state, the scenic wonders of Oregon are to Mr. Conway a veritable story book.

Oregon has much to sell in cities situated as Ashland is situated to perform the first bit of salesmanship in interesting the tourist in the country, Mr. Conway stated.

Several reels of motion pictures showing the beauties of the Columbia Highway gorge and of Mt. Hood, reels depicting the great searches which have been made for lost mountain climbers proved to be of great interest to the big group of men and women in attendance at the forum luncheon.

Several musical numbers presented by the Auer Trio, composed of Franz Auer, cellist; Mrs. H. T. Mitchelmore, pianist; and Sumner Parker, violin, were presented with unusual artistry and generous applause denoted appreciation.

V. V. Mills, president of the Chamber, presided at the meeting, with E. G. Harlan, secretary, introducing Mr. Conway.

## BIG RALLY IS SUCCESS

Normal School Students Stage Big Bonfire and Parade

The serpentine may have been a bit unorganized but that did not detract one bit from its effectiveness when last night the students of the Southern Oregon Normal paraded through town advertising the Sons-Albany game which is in progress this afternoon.

Chief of Police George McNabb, W. W. Wells, A. C. Strange, Coach McNeal, V. V. Caldwell, "Blondy" Heffner and Joe Mercer were speakers at the big bonfire which was lighted at the athletic field and from which flames shot many hundreds of feet into the air.

Merchants from all sections of town contributed to the fire and the bonfire was the most mammoth conflagration of the kind ever started here. The fire and final program was staged at the athletic field.

The long line of noise-making boosters, who serpented through the streets, blocked traffic and was followed by a caravan of automobiles in which many other boosters were riding.

The "Wedding" of "Miss Victory" to the Southern Oregon Normal School was a clever stunt which Coos County students staged.

Pep songs and rally yells were also a feature of the big rally program at the athletic field.
