Accessories In Gift List-One's gift selections may include accessories that combine practicability with smartness. and so make a perfect holiday gift. Nearly everyone has gotten sensible enough to want to give gifts that are really worth something. Some women there will be who will delight in soft feminine dainties of a very frivolous nature, but there are many smart women who would prefer gifts that are practical and expressive

of the newest in the feminine accessory mode. For them there are til ever handmade handkerchiefs that come from the looks of the Swiss, not fancy, yet very correct and dressy, with Appensell work on the edges. There are beautifull imported hose in soft, dull dust and shadowy shades, each pair a bit more lovley than you ever thought hose had a right to be. There are umbrellas of very smart design with handles of pigskin or crock handles of bright celluloid That looks like

checked or plaid silk many times. Bags are always acceptable, especially when they possess a charm that will help carry a costume to the realm of smartness. The black suede and antelope bags are almost like pieces of jewelry. The heavier bags of leather that are used for street
