Teacup Club Postponed
Owing to illness in the family of Mrs. Carroll Pratt, who was to entertain the Teacup Club this afternoon, that meeting has been postponed until Tuesday of next week.

Charming Wedding
Rev. C. A. Edwards returned Saturday night from Salem where he had been summoned to perform the marriage ceremony that united the lives of two former Ashland young people, Tocker and Paul Deuber, who were married at the home of the former's mother, Mrs. Josephine Tocker, in that city. The ceremony was solemnized at 8 o'clock in the presence of about twenty relatives and near friends. The beautiful double ring ceremony was used, and Rev. Edwards was assisted by Rev. Acheson, pastor of the Methodist church which the Tockers attend in Salem. A reception followed the ceremony and fine refreshments were served. The bride was one of the most popular members of the Methodist church of this city prior to her removal to Salem. This church bountifully remembered her at the time of her marriage with beautiful gifts from the primary department of the Sunday school of which she had charge, the Epworth League and the ladies of the church. Rev. and Mrs. Douglas of Gooding, Idaho, formerly of this church, also remembered the bride with a handsome silver set at this time.

Teacup Club
The Teacup club of the Methodist church will meet at the home of Mrs. Carroll E. Pratt, 438 North Main street, next Tuesday afternoon, November 4.

Dancing Party
Mr. and Mrs. G. S. Butler have issued invitations to a dancing party to be held in Memorial hall Tuesday evening. This is the first event of its kind given in Ashland since before the war and the invited guests are looking forward with much anticipation for the affair.

Hallowe'en Part
Miss Gertrude Biede entertained a large company of friends at her home on Nob Hill street Saturday evening. The event was in the nature of a Hallowe'en party, and the house was beautifully decorated with all the appointments that go with that festival. A pleasant evening was spent with cards and games of various sorts, after which the hostess served fine refreshments. The guest list included Mrs. Emma Cooffee, Mrs. C. Biegel, Mrs. Nate Bates, Mrs. E. H. Nash, Misses Calla Biegel, Georgie Cooffee, Messrs. J. F. Place, George King, H. G. Eastman, Elmer and Milton Biegel and Robert Warner.

Parent-Teachers to Meet
The Parent-Teachers Circles will hold a joint meeting in the Junior high school tomorrow, Tuesday, afternoon, beginning at 1 o'clock. Mrs. H. C. Galey, the newly elected member of the school board, will speak on conditions in the school as she has found them, Superintendent G. A. Briscoe will also speak and reports will be given from the parent-teachers congress in session here last month.

Entertained Friends
Mr. and Mrs. A. E. Kinney entertained a number of friends at their home on Granite street last evening with a Hallowe'en party. About thirty guests were present and enjoyed all the time-honored Hallowe'en pranks that have been handed down from age-old customs. The enjoyment of the evening was marred, however, by parties whose zeal in observing the holiday led them to break into the Kinney house, penetrate to the dining room where the refreshments were laid out to be served, and carry off the greater portion of the eatables provided by Mrs. Kinney. Not only were the provisions taken, but the utensils in which the refreshments were placed were stolen also, making the loss considerable.

Shaw-Fitfield Wedding
Mr. O. Shaw and Mrs. Fitfield were quietly married at Jacksonville last Thursday and have moved to Mr. Shaw's residence on Roca street.

Will Live in Oakland
The many friends of Mrs. Elva Rouse, one of Ashland's popular ladies, are interested in the news of her marriage to Charles Lewis Kelton which took place in Oakland, Calif., October 24. Mrs. Kelton has been a resident of this city for many years, while her husband is interested in Alaska fisheries and is associated with the Union Fish company of San Francisco. This couple met more than two years ago in Dunsmuir

at the home of Mr. Kelton's daughter, Mrs. E. A. Sharp and the acquaintance thus formed ripened into a closer tie that resulted in the marriage of last week. Mr. and Mrs. Kelton will make their home in Oakland, Calif.

Wedded at Jacksonville
Mrs. Lillian Leybold, proprietress of the Nelda Cafe on East Main street, and I. Crisp were married at Jacksonville yesterday morning. They expect to continue in the business the same as formerly.

Sunday School Class Party
Mrs. F. J. Shinn entertained the members of her Sunday school class at her home on Oak street yesterday afternoon. The event was in the nature of a Hallowe'en party and the members, who are young boys of the Presbyterian Sunday school, were given a great treat with games and Hallowe'en pranks. Refreshments were served before adjourning.

Teachers Entertained
The teachers of the Hawthorne school entertained the faculty, the members of the school board and their wives last evening with a Hallowe'en party. The guests arrived at the stated hour in the lower hall which was in total darkness. There they were met by a ghost who directed them to a will-o-the-wisp light glowing from a grinning jack-o-lantern in the distance. The way of reaching it was only by the touch of a rope stretched to guide the visitors to their destination. Witches, ghosts and hobgoblins abounded in all the panoply with which they are supposed to be dressed on this night when they walk the earth, and entertained the guests with games and Hallowe'en pranks of all sorts. In one section of the building school girls dressed as witches served cider, while a delightful luncheon, consisting of pumpkin pie with whipped cream, red apples, doughnuts, cider and all sorts of Hallowe'en viands was served. The affair was beautifully planned and delightfully carried out by the hostesses.

Enders-Jacobs Wedding
John E. Enders, a well known Ashland young man, and Miss Waive Jacobs of Klamath Falls, were united in marriage in San Francisco the first of the week. Following a short honeymoon spent in the southern city the young couple returned to Ashland and are receiving congratulations and best wishes from their many friends in this vicinity. They will presumably make their home in this city, where they are both popular among the young people.

Tuberculosis War In the Northwest

A survey of Island County Wash., recently completed, which was undertaken to determine the extent of tuberculosis among the livestock, showed that approximately one per cent of the cattle were tuberculous. All such animals have been destroyed. In the state of Oregon there are five counties engaged in systematic eradication of tuberculosis from circumscribed areas. In Idaho, Utah, and Nevada campaigns are being carried on in a similar fashion. In the three states last mentioned tuberculosis does not exist extensively.

PEOPLE'S FORUM PRAISES COMING SPEAKERS

Dear Mr. Editor: I would like to tell the good people of Ashland that if they know what was in store for them in the coming of Dr. J. P. Gray of the Moody Bible Institute of Chicago and Rev. Dr. White of Albany, Oregon, the Presbyterian church could not accommodate the crowds who would be eager to hear them. Dr. Gray's knowledge of the Bible and how to teach it is not excelled by any one in the world today. It was about ten years ago that I went up from Meadville, Mo., to the Winona Lake Bible conference, and one of the speakers for the ten days conference was Rev. Dr. Gray, who gave several lectures on the Bible. I am grateful to say that his lectures paid me for all the expense of my trip and my stay at the conference. So you may know that I am glad to hear of his coming this week to Ashland and hope that I may have the great privilege of again hearing him and his associate, Dr. White. My advice to Ashland is: Don't miss this opportunity, but be present at every meeting they hold in the Presbyterian church beginning on Wednesday of this week.
REV. WILLIAM JOHNSON.

TEACHING SCOUTCRAFT TO OUTDOOR LEADERS

A great series of conferences of Boy Scout leaders is being held over the country to formulate plans to

bring about a vast extension of scout work. Headed by James E. West, Chief Scout Executive, and other national officials of the movement, all the southern executives have just gathered at Chattanooga, Tenn.

Berkeley, Calif., will be the scene of the next run-up of scout leaders from the Western States. Conferences have already been held at Fenton, Mich., for Middle West officials and at the great Pikes Park camp of the scouts for those from the Eastern States.

Under the direction of Lorne W. Barclay, educational director of the national council, the Boy Scouts of America, the men take a week's course in scoutcraft. A series of lectures, given by some of the most noted outdoors experts in the country, is supplemented by practical demonstrations.

These conferences also plan the extending of the summer outdoor program of the Boy Scouts of America into the winter months with winter hikes and camps.

PRESBYTERIANS DISCUSS RIGHTS

(By the United Press)
NEW YORK—Whether women shall have equal rights with men in all the functions of membership in the Presbyterian church in the U. S. A., is to be determined by a canvass of the Presbyterians of the country. Three questions are to be decided:
1. Whether women shall be ordained to the eldership.
2. Whether women shall be ordained to the ministry of the church.
3. Whether women shall have the same rights as men in the sessions, presbyteries, synods and assemblies of the church.
These questions were propounded to the general assembly of the Presbyterian church by three presbyteries and were referred to a special committee on official relations of women. This committee consists of:
Rev. S. Hall Young, chairman, New York City.
Rev. Edgar W. Work, New York City.
Rev. William L. Barrett, Bellefontaine, Ohio.
John T. Manson, New Haven, Conn.
Rush Taggart, New York City.

The committee was appointed by Dr. Willis Baer, moderator of the Presbyterian church, in accordance with the action of the last assembly. Rev. W. H. Roberts, of Philadelphia, stated clerk of the general assembly, is ex-officio clerk of the committee.

The committee has delegated to Dr. Young the task of obtaining the consensus from the men and women of the church and the general ar-

gument pro and con. It has instructed Dr. Work to report on Bible deliverances on the subject. It has requested Dr. Barrett to assemble the facts as to the usages of other churches. Manson is to report on cases regarding women's places in the church which have been decided or are now pending, while Taggart is to look up Presbyterian law and equity in the case.
