Good Luck to You for 1920

THE old year, with its failures and successes, its hopes and its disappointments, lies behind us, leaving with us its heritage of experience and the great lessons that are not taught in schools, and that can only be learned by living.

ON looking back over the past year, one thing impresses us; the debt we owe our many friends for the hearty support given us.

DEPEND on it, the courtesy and co-operation extended to us are remembered and fully appreciated. We extend hearty greetings and our best wishes to you for a Happy and Prosperous New Year.
