**What a Fine Description of the  
Rogue River Valley!**

For the land, whether thou art  
in it to possess it, is not as the  
land of Egypt, from whence you  
came out, where thou sowest  
thy seed, and watered it with  
thy foot, as a garden of herbs;  
but the land, whether ye go over  
to possess it, is a land of hills and  
valleys, and drinketh water of  
the rain of heaven; a land which  
the Lord thy God careth for;  
the eyes of the Lord thy God  
are always upon it, from the  
beginning of the year even unto  
the end of the year.—Deut. 11:10 to  
12.

ton has purchased a ranch near

his home in Oregon City.  
E. R. Jones returned Monday  
after an absence of several weeks.  
Fletcher Spencer has purchased  
a car.

Mrs. William Crosby is home  
from her visit with her sister,  
Mrs. Pearl Duzer, at Hill, Calif.  
Mr. and Mrs. J. C. Williams  
have arrived home from spending  
the winter visiting friends and  
relatives in Iowa.

Mrs. Meda Netherland of Med-  
ford visited her mother, Mrs. Cros-  
by, Saturday.  
E. C. Hillman of Crescent City,  
Calif., is visiting his friends in  
Talent and vicinity.

Rev. Bean of Ashland will  
preach at the Christian church on  
Wednesday evening.

"Gosh! How my back aches!"  
After Grip, flu or cold, the kidney  
and bladder are often affected—called  
neuropitis, or inflammation of kidneys.  
This is the red flag of danger—better  
be wise and check the further advance of  
kidney disease by obtaining that wonder-  
ful discovery of Dr. Pierce's, known as  
Auric (anti-uric acid), because it expels  
the uric acid poison from the body and  
removes those pains, such as backache,  
rheumatism in muscles and joints.  
Naturally when the kidneys are  
deranged the blood is filled with poison-  
ous waste matter, which settles in the  
feet, ankles and wrists; or under the  
eyes in bag-like formations.

Dr. Pierce's Auric is many times more  
potent than lithia and often eliminates  
uric acid as hot tea melts sugar.

MADERA, CAL.—"I recommend Dr.  
Pierce's Auric very highly. I have  
suffered for the last three years with  
catarrh of the bladder, having tried  
every remedy I heard of but without  
relief. I saw Auric advertised in the  
paper, and like a drowning man  
grabbing at a straw I thought I would  
try it also, which I did with great suc-  
cess, as it relieved me almost imme-  
diately, before I had taken all of the  
trial packages, and having great con-  
fidence in the remedy I immediately sent  
to the drug store and bought a package.  
I can say to all suffering from any  
disease of the kidneys, or uric acid  
troubles, try this remedy and suffer no  
longer. I have great faith in Doctor  
Pierce's remedies.—S. F. HANLEY.
