JOHN B. WIMER FOR SHERIFF

To the Voters and Taxpayer: Having my candidacy for sheriff on being thoroughly qualified to handle any part of the work of the office, I give here a few important matters to be considered by the taxpayers and voters, which I propose to do if nominated and elected sheriff of Jackson county.

My Platform.

Continuous office hours from 8 a. m. to 5 p. m. each day, including the noon hour.

Establishment of more adequate methods of handling tax collections without additional expense.

Change of administration with reduction instead of extra cost to taxpayers.

Elimination of errors in tax collection matters by more efficient methods of handling same.

Reduction of expenses by proper organization of office force and adoption of methods needed therein.

Establishment of methods which will save the taxpayers from \$500.00 to \$1000.00 per year in matters of making up tax receipts.

An equitable enforcement of the laws incumbent on me to enforce without fear or favor.

My incumbency as City Recorder of Ashland, prior to resigning to enlist in the U. S. Army, shows by records recorded therein that I saved the city more than \$2,000.00 for the year 1917, and by careful study, was instrumental in reducing the 1918 city tax 2.5 mills on an assessed valuation of \$2,661,000.00, a saving of \$7,450.00 to the taxpayers for the year 1918. I feel from my experience as chief deputy in the tax collection department of the Sheriff's office the last six months of 1919, that I can do as well in proportion for the taxpayers of Jackson county.

If you believe in and want that kind of an administration, which I feel any business man of Ashland, where I am better known, will vouch I am capable of giving you, then I earnestly solicit your support May 21, for "Office Efficiency and law enforcement."

"For 100 per cent Americanism."

JOHN B. WIMER, Candidate for Nomination for Sheriff, Republican Ticket.
