A GREAT ENTERPRISE

By various celebrations in Canada this month the 250th anniversary of the founding of the "Governor and Company of Adventurers of England Trading into Hudson's Bay" is being observed. The history of the enterprise, better known under the name of the Hudson's Bay Company, is a romantic tale of adventure. The company within until about 50 years possessed within itself the powers of a despotism. It exercised through its charter rights legislative, judicial and executive powers in all the region drained by waters that flow into Hudson's Bay.

While primarily a commercial undertaking in fact it was a government within the British domain, making laws, administering crude justice within the wilderness and waging war when its ostensible rights were challenged. Its financial rewards were great, though it was compelled to engage in warfare with Frenchmen who disputed the company's authority. The savages, who dwelt in the desolate region where the company's forts were first established, trapped the furs which they exchanged for whatever goods the factors were willing to give. Since there was no competition it is easy to understand that making money for the company was not difficult.

Today in the wilder parts of Canada the Hudson's Bay posts and stores are still found. Their merchandising efforts have even invaded the cities. The monopoly once enjoyed no longer exists, but the business still goes on. The adventure that once attended the trader in the wilderness are ended, for the old days are gone. The story of the Hudson's Bay Company is a history of a large part of Canada.

A LARGE PAYROLL

The Tidings is developing into quite an enterprise. It now has nineteen people on its payroll. This has been made possible only by the splendid support accorded its daily venture. Ashland has been very good and loyal to the Tidings. Nearly everybody in this end of the county takes the paper and all save one or two of her business men use its advertising columns. We hope to make the paper worthy of this splendid support. It costs a deal of money to pay the expenses of such a daily as the Tidings, with its general local news and telegraph, but, so far we have been able to pay that expense and every indication points to better prosperity for the future. We thank the people of Ashland, one and all, for their generous support, and will welcome suggestions from our friends as to how to make the paper better.

MEDFORD MAN HAS CAR STOLEN

Wednesday a Chevrolet touring car belonging to Irvin Bostwick of Medford was stolen in a peculiar manner. Mr. Bostwick, who conducts a barber shop in Medford, was telling a customer, it is stated, that he was thinking some of selling his car, which was standing in front of his shop.

A stranger, it is alleged, offered to sell the car for him to a man in Ashland if Mr. Bostwick would let him drive it up here. Mr. Bostwick consented, it is stated, and the man drove off. As he did not return Chief Hatcher was notified, and he learned that a man in a car answering the description of the one Mr. Bostwick had lost, passed the highway construction crew on the Siskiyous headed for the south.

The car was a late '17 model with a license number 62567 and motor number 89803.

Frank Wortman of Medford, candidate for delegate to the democratic convention in San Francisco, was in Ashland Wednesday calling on local democrats.

FRIDAY'S NEWS

A chapter of the Daughters of the American Revolution was formed Wednesday afternoon, May 19, with Mrs. Edith B. MacCracken, organizing regent, affiliated from the Chicago chapter. Sixteen other ladies had their papers approved by the national chapter April 17, making a membership of 17. A committee on by-laws consisting of Miss Chamberlain, Mrs. Jessie Dodge and Mrs. Schuerman, was appointed as was also a committee on presenting appropriate names for the chapter to vote on. This committee is composed of Miss Hicks, Mrs. Wilson and Mrs. Way. The ladies went on record as being in favor of the millage bill and the two mill tax bill. The next meeting will be in the library, June 24. Following are the names of those whose papers are approved by the national chapter:

Mrs. Edith B. MacCracken (affiliated), Miss Harriet R. Dayton, Mrs. Miriam D. Way, Mrs. Jessie E. Dodge, Mrs. Minnie L. McAllister, Mrs. A. Elizabeth T. Parrett, Miss Grace H. Chamberlain, Mrs. Jessie N. Curry, Mrs. Glendora C. Wilson, Mrs. Jennie J. Gilbert, Mrs. Ida J. Van Natta; Miss Blanche E. Hicks, Miss Carrie M. Mitchell, Miss Marcia I. Mitchell, Miss Elizabeth D. Palmer, Mrs. Caroline M. Schuerman, Mrs. Mary F. Swigart.

Party for Teacher

The members of Mrs. J. R. Wick's class in the Presbyterian Sunday school gave a farewell party in her honor Tuesday evening at the home of Mrs. C. B. Lamkin preceding Mrs. Wick's departure for Portland on an extended visit. A pleasant evening was enjoyed and an elaborate luncheon was one of the features of the festivities.

School Board Fed

Miss Neil, teacher in domestic science of the Senior high school, with her class, served dinner to the members of the board of education and their wives in the dining room of the school house Tuesday at 6:30 p. m. The dinner was entirely prepared and served by the school girls, and demonstrated the excellent training in cookery that has been given them during the past year. Menus were placed at each plate with the cost of the viands similar to those made out for the pupils at the school each day, thus giving an idea of the cost of food as provided by the school and its cost to the pupils. Besides board members and their wives, Superintendent and Mrs. G. A. Briscoe and Miss Neil were at the dinner.

Married Saturday

Oliver O. Morton and Alice Athena Pence were married Saturday evening, according to the Grants Pass Courier, at the home of the bride in Grants Pass. After the ceremony, at which about 30 guests were present, the party assembled at the home of the groom's parents, where a family reunion was held. After this the whole family accompanied by Mr. and Mrs. Bruce Lininger of Ashland, went with the newly weds to Waldo, where a picnic dinner was enjoyed. After this Mr. and Mrs. Morton continued on to Crescent City for their honeymoon trip. Mr. Morton is the junior partner in the Josephine County Flouring Mill. Mrs. Morton was a graduate with the 1919 class of the Grants Pass high school. Both of them are well known and popular young people of the city.

Mr. Morton was a former well known young man of Ashland, and was among the first from this city to go overseas in the world war.

Climbed Mt. Ashland

The mountain climbing season has started early this year, and really opened the latter part of last week. The first large party to the summit of Mount Ashland went out Saturday evening, chaperoned by Mrs. E. M. Wallin. The party arrived at Long's cabin at 10:30 p. m., where they pitched camp and soon retired. Peace and quiet only reigned for a time when Milton Biegel was aroused because his feet were cold. He built a roaring fire, which soon awakened all, and the party decided that sleeping in the mountains was not a healthy occupation, so all arose at 1:30 a. m. and proceeded to get breakfast. The boys did excellent K. P. work, especially Mr. Morrison in frying eggs and bacon. At 3:10 the company left camp for the summit of Mount Ashland. Miss Miller and Mr. Cormack were the first to reach the summit, at 7:09 a. m. They were closely folowed by Misses Van Slyke, Baird, Grubb, Lee, Mrs. Wallin and Messrs. Eric Biegel, Egner and Moore. The sympathies of the party were with Mr. Morrison. Miss Mitchell was only used to hiking on level ground. Miss Brundage and Mr. Butler took life easy all the way, and reached the summit at 8:30 a. m. The climb down the mountain began at 9:15, each party straggling in to camp at different times. Miss Baird tried a toboggan slide down a steep side of the mountain, but was rescued in due time by Mr. Biegel. A delicious dinner was served at camp when all arrived, and the party departed for home at 4 o'clock. A kind gentleman took five very footsore and weary girls to their homes for which their undying gratitude will follow him through life.

The company included Mrs. E. M. Wallin, Misses Edna Lee, Edith Mitchell, Lillian Baird, Kathryn Miller, Jean Grubb, Delia Brundage, Ray Van Slyke and Messrs. E. S. Morison, Grisby Moore, Curran Butler, Milton Biegel, Carl Egner and Ezra Eric. This was the second party to make the trip up the mountain this spring. The snow was very deep from Gribble's camp, but the sun was fiercely hot at the summit of the mountain.

Elks Dance

The Elks gave one of their delightful dances in the club rooms last evening which was greatly enjoyed by members of the order and their wives and sweethearts. Launspach's orchestra furnished the music.

NATIONAL GUARD NEEDS MEMBERS

At least twenty more members are needed for the local company, Oregon Coast Artillery, at once. Nineteen new recruits have been secured in the past month, but still the company needs seventeen more recruits to bring its enlisted strength up to the 100 mark.

The Assistant to the Instructor of Oregon, Sergeant Jiruck, was present Monday and Tuesday nights, and explained the outlook at the coming encampment.

One of the new features the instructor outlined was the fact that the enlisted men while at encampment will draw regular army pay, and in addition receive $1.00 per day extra from the state.

Besides the July encampment, the officers of the company, together with nine enlisted men, will go to a short officer's school to be held in June. This will bring them back to Portland just in time for the Portland Rose Festival, consequently the trip is looked forward to by many, who have expectations of being chosen to go.

All guardsmen have been urged to interest new recruits, and all interested are asked to be at the Armory next Monday evening, where they can receive the necessary information in regard to enlistments.

LAST COMMUNITY MEETING HELD AT BELLEVIEW SCHOOL

The last of the series of community meetings was held at the Belleview school house recently. The school house was filled to overflowing.

It was decided that the Neil Creek community should unite in the meetings next year and Mrs. A. R. Kincaid was elected as secretary-treasurer. Mrs. Striker was elected president.

The program given was up to the usual standard. Superintendent Ager gave a talk on the millage tax for elementary schools. Those present favored the bills both for elementary and higher education.

Mr. Campbell gave one of his pleasing selections. The feature of the evening was the presenting of "Mrs. Jarley's" wax figures. These were given under the direction of Mrs. W. L. Moore, Miss Gertrude Miksche and Mr. Groner. Mrs. Groner carried out the part of Mrs. Jarley in a very pleasing way and the figures were very wax-like.

With the excellent start made it is hoped that the meetings of the upper valley next year will be as much of a success.

CONFECTIONERY ROBBED

Milet's confectionery store on the Plaza was entered last night by thieves, who broke into one of the cash registers and took a sum of money. A number of checks and a quantity of pennies were undisturbed in the register, as was everything else in the store so far as Mr. Milet could ascertain this morning. Entrance was made by breaking out a screen in the back of the building and opening a window.

During his night rounds Policeman Roberts came from North Main street across Granite and down the steps by the Park Garage. As he entered the south end of the alley back of the stores on the Plaza he heard some one running down the other end. A pick was found back of Mitchell's clothing store, which the thieves had used to break into the store, it is supposed. It is presumed the intruders were frightened away before going farther in their robbery.

WELL KNOWN LADY DIED YESTERDAY

Mrs. Cecelia M. Porter, wife of Irving F. Porter, died Wednesday afternoon at 1:30 o'clock at her home on Coolidge street, aged 65 years. Mrs. Porter suffered a stroke two weeks ago, from which she never rallied. She was a well known and highly esteemed resident of Ashland and had lived here for about 11 years. Funeral services will take place from Stock's undertaking parlors Saturday afternoon at 2 o'clock, and will be in charge of the Eastern Star chapter, of which the deceased was a member. Interment will be made in Mountain View cemetery. Beside her husband Mrs. Porter is survived by three children, C. I. J. Porter and Mrs. Mary Paddock of Ashland, and Leo A. Porter of Hornbrook.

TEACHERS ELECTED FOR COMING YEAR

The local board of education at its recent meeting elected the following corps of teachers to have charge of the city schools the coming year:

Senior High School

B. C. Forsythe, Elsie Ayre, Mabel Bay, Evelyn Merrill, Callie Vogell, Grace Knopp, Geraldine Ruch, Fay Carver, Evangeline Poley, Minnie Poley.

Junior High School

I. C. Wilson, Nellie Beaver, Winifred Spencer, Ruth Voruz, Caribel Morehouse, Ethel Reid, Louise Peeltel, Nellie Ross, Ray Van Slyke, Vetrice McCredie, Hazel Bruner, Kathryn Miller, Isabella Wattenberger.

Hawthorne

Ila Myers, Alta Norcross, Florence Allen, Mildred Million, Vera Mannel, Ruth Brown, Mabel Quire, Eugenia Carson.

Several of the teachers who have been on the faculty staff during the past year did not sign a contract for the next year, on account of getting positions elsewhere. For this reason the staff will be composed of a number of new teachers all of whom come with the best of credentials, and the outlook is propitious for a splendid year in the city schools.

LOCAL GIRL WINS SECOND SLOGAN PRIZE

The slogan, "Everybody's scenery and timber save yours from fire," submitted by Miss Kee Buchanan of Ashland at the recent fire protection slogan contest offered for the allied forest protection agencies, won the second prize of $20. This slogan was close for the winning place which was awarded to Miss Esther Healy of Portland, whose offering was:

"Lumber, fuel, beauty, joy—
Forests furnish; fires destroy."

AIR PATROL FINDS FIRE

RED BLUFF.—Three fires in the forests of Shasta and Siskiyou counties were located today by the forest service airplane patrol work for the season. The fires were from three to 15 miles apart, and were sighted by Pilot Robins and T. J. Whisstel from their airplane on their first cruise which took them 15 miles north of here. The government airplane at the local aviation field will try tomorrow for an altitude record. The aviators expect to ascend more than 20,000 feet.

HOWELL GOES TO MONMOUTH

SALEM.—Harold Howell, the Pendon youth who last Saturday was acquitted by a jury in the Coos county courts on a charge of murdering Lillian Leuthold, has gone to Monmouth where he will spend the summer on his uncle's ranch. The lad appears happy and displays no signs of his long confinement in jail. He would make no comment regarding the charges preferred against him or his trials other than he was happy to be free.

The three trials of the boy left his father, Oliver O. Howell, almost penniless, according to his friends. During the last trial charitably inclined citizens of the state came to Mr. Howell's assistance.

Doctor Cupid

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength to weak, worn-out run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as liquid form.

ROSEBURG, OREGON—"I suffered something terrible from an organic trouble. Could scarcely stand on my feet. My head and back ached so hard and I was weak and nervous. I had severe pains in my side and my limbs and feet ached. I was also troubled with constipation. I took Dr. Pierce's Favorite Prescription, Golden Medical Discovery, and Pleasant Pellets. These medicines cured me of all my ailments and I was well and strong."—Mrs. W. D. Moore, 1246 N. Jackson Street.

Sure Death to Corns

"Gets-It" Makes 'Em Lose Their Grip and Lift Off Painlessly.

The first thing "Gets-It" does when it lands on a corn or callus is to snuff out the pain. Then it shrivels the corn or callus and loosens it.

"Gets-It" Spells "Finish" for Corns

Soon, it is almost ready to fall off. You help it just a little by lifting it off 'twixt thumb and finger. You don't even feel it, because there is no hurt left in it. Millions have proved it the cleanest, surest, safest and most pleasant method. "Gets-It," the never failing, guaranteed, money-back corn remover costs but a trifle at any drug store. Mf'd by E. Lawrence & Co., Chicago.

Sold in Ashland and recommended as the world's best corn remedy by McNair Bros.

SALEM.—F. C. Dillard, engineer for the Talent irrigation district in Jackson county, reported to Percy Cupper, state engineer, that water is being delivered to a large part of that project. While here Mr. Dillard discussed with Mr. Cupper plans for financing the undeveloped portion of the project.
