PEOPLES FORUM

LETTER TO GIRLS

Ashland, Ore., June 19, 1920.

Dear Girls:

Did you ever dream of going some summer to Northfield or Lake Geneva conferences? Of course it can never be such but a dream to most of us on this coast, but if we cannot go, why not have Northfield come to us?

This year we want a hundred girls and such a good conference that it will be known all up and down the Pacific coast.

And what more beautiful place than our own Ashland canyon? And the cost is so small, only \$1.00 to register, and food and tent free.

Just to be out, one big family of girls, under the open sky, makes you appreciate friends, life and your own self more and more you realize the beauty of life and why you are here.

AUTO DRIVING HELD FINE PHYSICAL EXERCISE

Here is the latest prescription for physical exercise: Take one automobile—fill it with gas and take a long, fast ride every day.

That motoring is one of the finest forms of exercise for the average man and woman of today is a somewhat startling hypothesis, say Portland dealers.

It is the muscles of the arms, together with those of the chest and abdomen, that pre-eminently and habitually suffer. Here is found underdevelopment and flabbiness. And it is precisely here that the steering wheel of the automobile may come to the rescue.

The handling of the steering wheel and the operation of the gear shifts and brake levers give a mild but persistent action which involves practically all the muscles of the arms, chest and abdomen.

"BIRDS OF A FATHER FLOCK TOGETHER"

There was a companionable and interesting gathering at 283 Seaside Drive on Thursday afternoon, when Prof. H. G. Gilmore and Reverend Wm. Johnson met for the purpose of recounting their Sunday school associations in the past and to prove that two is company and one is none.

PLAYGROUND HAS NEW ATTRACTIONS

Any one wishing to have their youth renewed should visit the children's playground in the park and watch the seal with which the little ones of the city enjoy the attractions which the park board has provided for them.

The exchange of mutual ideas touching the religious education of adult minds as well as younger ones, is always a fertile subject for thought and meditation.

PROSPEROUS YEAR IN OREGON BANKS

Cashiers J. W. McCoy of the First National bank and V. O. N. Smith of the Citizens bank, are back from Eugene where they had been attending the annual convention of the Oregon bankers which was in session in that city this week.

ivy bank back of the playgrounds. This is entirely boys' work, and no girls are wanted here. The little lads have brought their toy spades and shovels and put in many minutes digging up the bank and getting out ivy shoots, which will make that part of the park a thing of beauty when the green things start to grow.

DEMENTED MAN TO BE CALLED FOR

L. P. Lindgren, the man who was picked up yesterday in an apparent demented condition and taken to a local hospital, became wild last night, and Chief Hatcher was called to take him to Jacksonville.

MINERS' AND LOGGERS' DAY BE HUNDINGER

When the sun rises Saturday, July 3, the early risers in Ashland will wonder what brand that was they took the last round at the Society Cabaret.

COMMERCIAL CLUB TO LUNCH MONDAY

The directors and members of the Commercial Club will hold a meeting at the Hotel Austin during the noon hour Monday, June 21.

ARE WE GOING TO REVERT TO THIS?

Yesterday afternoon a caravan of wagons of almost every known design and drawn by horses passed through Ashland, going over the highway, and created much attention in this day of extensive automobile travel.
