Seven Million Goes To Ford Workers

CASH BONUS FOR 1920 SHARED BY 75,000

Edsel B. Ford, President of the Ford Motor Company, Detroit, has announced that the regular cash bonus established December 31, 1919, will be continued on the same basis this year. Borus checks are now being made out and distribution of them will start the first of January. These bonuses are in excess of \$7,000,000.00 and will be shared by approximately 75,000 men.

In addition the Foord Motor Company announces are extra three per cent for the six months ending December 31, on Ford Investment Certificates. This is in addition to the guaranteed six per cent, (8 per cent having been paid July 31, 1920) making a total of 14 per cent for the year 1920.

Every one in the employ of the company prior to October 1; this year and on the payroll December 31, receives a bonus. The bonus goes to the employe free and clear. However, if he wishes, he may invest his money in Ford Investment Certificates which carry a guaranteed interest of 6 per cent and also two special payments decided on by the directors of the company.

The bonus affects Ford employes at work in the Ford Factory, Detroit; Ford Blast Furnaces and Tractor Plant, River Rouge, Mich., all United States branches, besides the foreign branches at Copenhagen, Denmark; Bordeaux, France; Cadiz, Spain; Buenos Aires, Argentine; Sao Paulo, Brazil; Montevidio Uruguny, and Cork,
