MULTIPLICITY WILL WEAKEN

There has been some talk of putting an Ashland candidate in the race for state senator against Ben Sheldon. Under existing conditions, such a move would be a big mistake.

Mr. Simpson as county commissioner, if it centers its force on it, but by putting in a multiplicity of candidates for other offices, they will divide their forces as well as lose down valley support that would be given Mr. Simpson if he was the only Ashland candidate in the field.

It is to be hoped that no ill-advised action will be taken that will result in Ashland losing all her candidates in the primary election.

THIS IS THE MONTH

To make garden.
To gather greens.
To uncover the strawberry bed and cultivate between rows.

A surprise party was given Thursday evening to Lloyd Crowson at the home of his parents on the Boulevard. It was one of those parties that surprise the recipient beyond any doubt, for if the guests had arrived a few minutes later they would have found Lloyd in bed.
