SOLUTION OF THE BONUS PROBLEM

Eliminate the income tax, with its expensive and costly collection and inconvenience. Assess the wealth of the nation that was acquired previous to our entry into the world war.

Plan No. 1.—To pay off the national debt in full, assess the accumulated wealth of the nation, estimated at \$350,000,000,000; 10 per cent would net \$35,000,000,000.

Plan No. 2.—To pay national debt in ten years, assess this property one per cent annually for ten years; this would net some amount, \$35,000,000,000.

Plan No. 3.—Running over a period of 20 years, assess one-half of one per cent annually, which would net \$35,000,000,000.

Have the national banks loan at a reasonable rate of interest to anyone wishing to borrow on his property or his holdings for a reasonable length of time to meet these assessments—this loan to stand as first trust against his property or holdings.

By this plan the taxes on real estate could be collected through county or state agencies from tax books and records by state officials. They could collect county, state and federal tax in one collection.

WHY AN EDITOR LEFT TOWN

Somebody sent the editor of the Pickettown Gazette a few bottles of home brew, relates the Dallas Mirror. The same day he received for publication a wedding announcement and a notice of an auction sale.

"William Smith and Miss Lucy Anderson were disposed of at public auction at my farm one mile east of town. She wore a beautiful cluster of roses on her breast, and two white calves, before a background of farm implements too numerous to mention in the presence of about 60 guests, including two milk cows, six mules and one bob sled.

Mrs. Ghislis is the daughter of Mr. and Mrs. Samuel J. Oslin, of Ohio street, and has a host of friends and acquaintances in the city. Mr. Ghislis is a prominent young man of Ashland and, like the bride, has a wide circle of friends.

WITHCOMBE HAS WITHDRAWN FROM GUBERNATORIAL RACE

SALEM, Or., April 19.—Phillip Withycombe, of Yamhill, has withdrawn as a candidate for the republican nomination for governor, stating in a letter that he was requested by Mabel Withycombe, daughter of his deceased brother, James Withycombe, late governor, to withdraw.

Withycombe indicated he had no personal ambition, but merely desired to give publicity to the platform embodying his brother's ideas.

Property Changes Hands — J. N. Dennis has sold his property at 477 Allison street to B. B. Balls, a conductor on the Southern Pacific, and Mr. Balls will take possession of the property May 1.

M. J. Duryea Speaks at Medford Forum — M. J. Duryea, of the Oregon state chamber of commerce, spoke at the Medford chamber of commerce forum yesterday, his subject being "Catching the Vision."

Charles Rose is the owner of a new Essex touring car.

WATCH OUT FOR PEAR SCAB! IT'S TIME TO SPRAY NOW

Pear buds are now in a stage suitable for the application of the "pink" spray which is used to control scab. In sections where scab has been found in previous years, liquid lime sulphur at the rate of one gallon to 25 gallons of water, or dry lime sulphur, four pounds to 50 gallons of water, should be applied between now and the time the pear buds begin to blossom out.

Dormant spraying on apples with full strength lime sulphur can be continued for another week or more and the apple scab spray will not be needed for at least two weeks. For the control of scab this "pink" spray is the most important application, and if it is neglected, it will be very difficult to control scab with the later sprays.

EASTERN STAR MEMBERS ARE GIVEN A REAL TREAT

The regular meeting of Alpha chapter No. 1, Order of Eastern Star, was held last evening in the Masonic hall. Following the business meeting, the members were treated with an excellent program, which consisted of a saxophone solo by Mrs. C. I. J. Porter, accompanied by her son, and Mrs. William Denton at the piano, and a vocal duet by S. A. Peters Sr., and Mrs. William Denton.

COUNCIL HOLDS LONG-DRAWN OUT SESSION

The city council met in regular session Tuesday night at the city hall and discussed many things of minor interest, together with a few of greater importance.

The street commissioner was empowered to purchase a machine to patch the pavement in the city. Chief of Police Hatcher asked that signs be posted at Coolidge street in the north part of the city, and at Mountain avenue in the east side, giving the rate of speed allowed. Other signs on either side of both the public school buildings showing the rate of speed allowed were asked for, and the council voted Chief Hatcher authority to put up these signs.

JOHN GHISLIN AND ORPHA OSLIN MARRIED

John Ghislis and Orpha Oslin were married Monday evening at the Baptist church at 8 o'clock by the Rev. B. A. Finch, in the presence of about 60 friends of the bride and groom.

Mrs. Ghislis is the daughter of Mr. and Mrs. Samuel J. Oslin, of Ohio street, and has a host of friends and acquaintances in the city. Mr. Ghislis is a prominent young man of Ashland and, like the bride, has a wide circle of friends.

SALEM, Or., April 19.—Phillip Withycombe, of Yamhill, has withdrawn as a candidate for the republican nomination for governor, stating in a letter that he was requested by Mabel Withycombe, daughter of his deceased brother, James Withycombe, late governor, to withdraw.

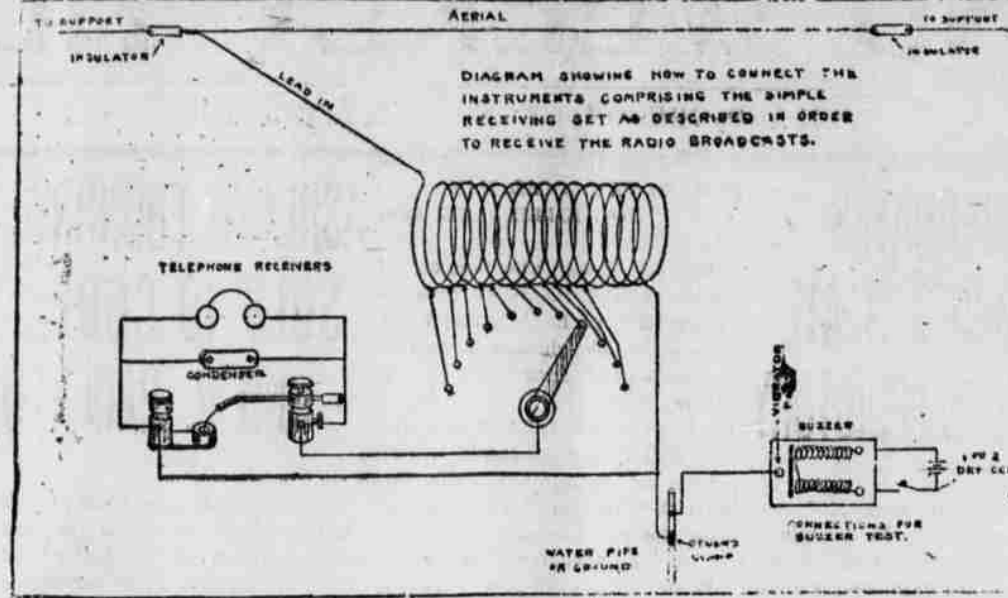

Withycombe indicated he had no personal ambition, but merely desired to give publicity to the platform embodying his brother's ideas.

Property Changes Hands

J. N. Dennis has sold his property at 477 Allison street to B. B. Balls, a conductor on the Southern Pacific, and Mr. Balls will take possession of the property May 1.

M. J. Duryea Speaks at Medford Forum — M. J. Duryea, of the Oregon state chamber of commerce, spoke at the Medford chamber of commerce forum yesterday, his subject being "Catching the Vision."

Charles Rose is the owner of a new Essex touring car.

How to Make A Radio Set

Test Buzzer Is Needed — Purchase an ordinary buzzer, one dry cell and a push button and connect as shown in the diagram. If you have an electric door bell the hammer back so it will not hit the gong, remove the cover and connect a piece of wire to the vibrator post and from there to the ground, as shown in the diagram.

Have patience and after a little practice you will have no difficulty in keeping your detector always in adjustment. Do not be deceived when you touch different connections on your set and hear a sound that the detector is in adjustment. When it is in adjustment the signals and music will be fairly sharp and clear.

Adjusting the telephone receivers to your head, press the buzzer to be sure that the detector is in adjustment and, finding it so, take hold of the switch lever on the coil and

slowly move back and forth, thereby varying the wave length and by so doing bring it into tune (resonance) with a transmitting station.

NEW YORK, April 10.—After erecting the aerial and having a good ground connection the next step is to connect the various pieces of apparatus so you will be able to "listen in" on what America's new giant (radio) is saying.

How to connect instruments: Take the tuning coil and connect the aerial lead-in wire to the binding post to the left, and connect the ground wire to the binding post on the right. The center binding post of the tuning coil connect to the double binding post of the detector, and the small binding post of the detector connect to the ground. Connect each terminal of the telephone receiver to each binding post of the detector, and then connect the condenser across the telephone receivers as shown in the diagram. Make all connections with the wire you have left over from the coil.

Before attempting to receive, it will be necessary to test the piece of galena in order to find the most sensitive spot and for this purpose we will need a buzzer test.

THIS MAP SHOWS THE PRINCIPAL RADIO BROADCASTING STATIONS IN THE UNITED STATES.

By WM. G. H. FINCH Associate Member Institute of Radio Engineers

NEW YORK, April 20.—After considerable effort we are able to today to publish a complete list of radio telephone broadcasting stations of the United States, which have been licensed up to and including April 1, 1922. The map shows the principal stations.

Due to lack of space we are unable to publish the complete data concerning each station and we have had to omit the wave length, station owner and street addresses, as furnished us by the department of commerce, bureau of navigation, radio service.

The majority of these stations are operating from a 200 to a 365 metre wave length. While a number of them have not a regular schedule of operation, we are safe in saying the majority are broadcasting between 7 and 10:30 p. m. every day.

Radio telephone broadcasting stations of the United States by states, cities and calls:

- Call Letters: Pine Bluff, Ark. WOK; Gridley, Calif. KFU; Hollywood, Calif. KGC; Los Altos, Calif. KGB; Los Angeles, Calif. KZC; Los Angeles, Calif. KOG; Yakima, Wash. KFY; Los Angeles, Calif. KYJ

Base Ball at Medford — Medford and Jacksonville independent baseball teams will play at 3 o'clock Sunday at Oak Grove, on the Jacksonville car line. Both teams are said to be going well, and a good game is expected.

Visitor from Gold Hill — Mrs. M. E. Real, of Gold Hill, was the guest of Miss Blanche Hicks Thursday.

- Los Angeles, Calif. KQL; Deal Beach, N. J. 2XJ; Jersey City, N. J. WNO; Jersey City, N. J. 21A; Newark, N. J. WOR; Newark, N. J. 2-SAI; Albany, N. Y. WJZ; Buffalo, N. Y. WWT; Rochester, N. Y. WHQ; Schenectady, N. Y. WGY; Schenectady, N. Y. 2-XQ; Anticosti, N. S. NSF; Akron, Ohio. SUK; Canton, Ohio. WWB; Cleveland, Ohio. WHK; Cleveland, Ohio. SACS; Cincinnati, Ohio. SKB; Columbus, Ohio. WRR; Houston, Texas. WEV; Seattle, Wash. KFC; Spokane, Wash. KFT; Yakima, Wash. KQT

CONFERENCE OF YOUNG PEOPLE BEING PLANNED

A committee, composed of Rev. C. F. Koehler, Rev. Joseph W. Angell and Rev. C. A. Edwards, met yesterday and formulated plans for the Young People's conference, which is planned to hold in Ashland the week of July 17-23. Last year the conference of the Epworth League of the Methodist church met in Ashland and the meeting was such a success that present plans are to have not only the young people of the Methodist church, but those of the Presbyterian church as well. It is expected that between 200 and 300 delegates will attend the conference, as this district is composed of all of the state south of Eugene.

LADIES OF TALENT

As if in honor of the occasion, the weather man who has been most fickle and unpleasant all this month, presented the ladies of the Talent Community club and the Ashland Civic Improvement club with a perfectly gorgeous spring day on Tuesday for the delightful afternoon at the parish house when the Civic club was hostess to the Talent club.

Miss Chamberlain presided. Mrs. John H. Fuller started things off lively by leading the crowd in singing popular songs. At the last the Civic members "sang up" the Talent visitors in approved style.

Mrs. Lewis Brown gave an interesting account of the purpose, work and accomplishments of the Talent club which she said was originally started to promote good fellowship and improve and beautify the town. From this beginning it has enlarged its scope until now it is the central motive of community social and educational activities.

Notice is hereby given that the undersigned has filed the final account of his administration of the estate of Samuel H. Holt, deceased, in the county court of Jackson county, Oregon, and that the date of said court has designated Saturday, May 13, 1922, at the hour of 10 o'clock A. M., at the court house in Jacksonville, said county, as the time and place of hearing objections to and the settlement of said account.

Notice to Creditors — In the county court of the State of Oregon for Jackson county. In the matter of the estate of Eliza J. McIntire, deceased.

Notice is hereby given by the undersigned to all persons having claims against the estate of Eliza J. McIntire, deceased, to present them with proper vouchers within six months from date of first publication hereof to May R. Rice, 311 Bartlett street, Medford, Oregon.

Notice for Publication — Public Land Sale 013361 Department of the Interior, U. S. Land Office at Roseburg, Oregon, March 16, 1922.

Notice is hereby given that, as directed by the Commissioner of the General Land Office, under provisions of Sec. 2455, R. S., pursuant to the application of Orville V. Riche, serial No. 013361, we will offer at public sale, to the highest bidder, but at not less than \$3.75 per acre, at 10 o'clock a. m., on the 2nd day of May, next, at this office, the following tract of land:

NE 1/4 SE 1/4, Sec. 23, Township 39 S., Range E 1, Willamette meridian. The sale will not be kept open, but will be declared closed when those present at the hour named have ceased bidding. The person making the highest bid will be required to immediately pay to the Receiver the amount thereof.
