

# ASHLAND WEEKLY TIDINGS

VOL. XLV

ASHLAND, OREGON, WEDNESDAY, JUNE 7, 1922

NO. 39

## MILLIONS ARE APPROPRIATED FOR POSTOFFICE

WASHINGTON, June 6. — The senate passed and sent to the president the post office appropriation bill carrying \$565,000,000. Included in it is the item of \$50,000,000 added by the senate to provide federal aid for states in road construction work.

The vote on the bill was 215 to 26. President Harding is expected to sign it immediately.

## HEAT WAVE SENDS MERCURY SOARING INTO THE NINETIES

A wave of intense heat is sweeping along the entire coast, and while Ashland is not as hard hit as in other places in the valley, the thermometer here reached the highest point yesterday that has been recorded since 1910, when the register showed 94.

Yesterday, while the exercises were being conducted in Lithia park the thermometer clung steadily around 92 for more than an hour. At 3 o'clock this afternoon the mercury stood at 94, the highest recorded through the day.

In Portland they are simply sweltering in the hottest day weather that has been experienced in 35 years, the thermometer registering 93 at noon. To the south of us it is even worse, a dispatch from Redding announcing that at noon the mercury had reached 102.

## LYNN SLACK APPOINTED AS FIRST SERGEANT

Lynn Slack, well-known Ashland man, and an employee of the Southern Pacific ticket office in Ashland, was appointed first sergeant of the 484th company, G. A. O. N. G. (First company), last evening. First Sergeant Slack is a former service man and he is getting back into his old job that he held with such success during the war. The Ashland company men are feeling jubilant in securing him, as he is full of the pep and enthusiasm that it takes to put the job over, and he possesses those peculiar characteristics needed by a first sergeant.

Another honor handed out yesterday was that of mess sergeant to Charles C. Robertson, who will leave June 10 for a four-days mess sergeants' school to be held at Fort Worden. Sergeant Robertson was chosen, it was stated, on account of his demonstrated ability in the past.

## OBITUARY

Henry Whitley Andrews, whose death occurred Wednesday, May 31, at his home in Ashland, was born near La Crosse, Wis., March 1, 1860. As a lad he lived in Wisconsin, removing to Fairmont, Minn., at an early age, where with his family, he endured the experiences incidental to a new and undeveloped country. When he was 14 the family came to Beloit, Kans., where their home was maintained. After the father's death they resided at Glen Elder, where Mr. Andrews was in business for a number of years.

In 1900, Oregon called him. For a time he was in business in Ashland, later operating orchards near Jacksonville and Medford.

After his marriage in June 1910, to Miss Grace E. Owens, the home was established at 122 Church street, where he lived for five years when it became expedient to go to his ranch just east of Ashland. Here he spent the last seven years, coming to the home in Ashland just a month prior to his death.

Mr. Andrews is survived by his wife and two brothers—Aaron Andrews, of Medford, and H. P. Andrews, of Logan, Kans.; and two sisters—Mrs. Mary L. Mathews, of California, and Mrs. D. W. Wheeler of Medford.

He was a member of the First Presbyterian church of Ashland and was also a member of the Modern Woodmen for many years.

A man of large ambitions and of strong determination, he overcame obstacles that would daunt men of smaller caliber; a lover of nature, all growing things responded to his touch; of high ideals, no petty thing held place; a Christian gentleman whose word was as good as his bond; a good citizen, a faithful friend, a loving brother and devoted husband, has gone to his reward.

## DECORATE LAST RESTING PLACE OF OREGON PIONEERS

The Hill cemetery, located on the farm of Mr. Hill, one of the first settlers in this valley, was visited by a number of interested citizens yesterday afternoon, and a short memorial service was held for the men who were killed in the early Indian wars, and other pioneers who lie buried on this beautiful hillside.

Glenn Simpson, representing the American Legion, placed flags upon the graves of the 17 heroes of those days, while friends strewed them flowers. Following this, all gathered in the shade of the old oaks for a short service. After the singing of America, and the report of the cemetery committee, Rev. C. F. Koehler spoke briefly on the spirit and work of the pioneers.

D. Perozzi, chairman of the cemetery committee, reported in substance as follows: A year ago, due to the vision and energy of Mrs. A. H. Russell, citizens of Ashland were moved to visit this burying ground and to include the graves of these first Oregon soldiers in our Memorial day services. The cemetery was found to be in a badly neglected condition, fences down, weeds over all, many graves being almost obliterated. A committee was appointed to see what could be done to preserve this old landmark of Oregon pioneer days, and their work was realized yesterday in the complete change in the appearance of the place. Their work consisted in buying a small strip of land to include several graves that were outside the original plot, to secure a deed to the whole, making it the care of School District No. 7 forever. Mr. Booth, of the state highway commission, was interviewed, and an agreement secured whereby the highway commission would build the approach to the cemetery from the road, in exchange for the right of way where the road crosses the corner of the lot. The building of a substantial fence around the whole lot, with an iron gate set in two attractive granite pillars bearing the names of Dunn and Barron, pioneer families who contributed generously to the work. In addition, weeds and brush have been cleared out, and the plot made presentable.

A rising vote of thanks was tendered the committee, especially to Mr. Perozzi for the time and effort expended in the work, which makes a vital contribution to the early history of southern Oregon. A history rich in tales of bravery, of hardship, of the faith and courage of those who laid the foundation of our great commonwealth.

LATE JOHN W. GULEY LEAVES HOST OF FRIENDS

John W. Guley, who died at his home in Eugene Friday morning, leaves a host of friends in Ashland, as well as Eugene to mourn his loss, having lived in Ashland a number of years in former days.

Mr. Guley leaves to survive him, a wife and six children, most all of whom are well known in Ashland: Glenn Guley, an employee of the Whittle Transfer company of this city; Ross and Mary Guley, of Eugene; Paul Guley of Roseburg, and Dale Guley of Creswell, and an older daughter who resides at Dexter.

Mrs. Guley is a sister of J. J. Hansaker, the noted Near East Relief worker, who was so recently in our city.

## MOVES REPORTED

Mr. McMichael has moved from 164 Eighth street to 142 South Pioneer street.

W. H. Clausen has moved into the property at 460 B street.

Milton Ellis from 143 Nutley to 123 High street.

George Coad has moved into the property at the corner of Almond and Nob Hill streets.

L. Price from 28 Morton to 115 Granite street.

R. E. Jordan has moved to 131 Ohio street.

C. O. Barney from 133 Nutley to 143 Ohio street.

C. W. Lyman has moved into the property at 84 Garfield street.

## WHY HE STAYED HOME

Thomas H. Simpson is something of a philosopher. Someone asked him the other day how he accounted for his defeat at the primaries in his candidacy for county commissioner. "It was a compliment," he said, "if you look at it in the right way. The voters of Ashland couldn't spare me away from home, and the rest of the county didn't want me. So there you are."

## SETTLE DISPUTE OVER CRATER LAKE MANAGEMENT

Crater Lake lodge will be operated this season by the Crater Lake National Park company, composed of Portland and Medford men, with R. W. Price, an official of the company, again general manager, according to members of the company who have returned from a meeting in Portland.

The company operated the concessions last season under an agreement with Alfred L. Parkhurst, holder of the concessions, and also held option to purchase his holdings. A dispute over the terms of the option threatened to return the management to Parkhurst, but an understanding has been reached satisfactory to both parties to the option.

## JESSE WINBURN ON WAY HERE TO CELEBRATE 4TH

Mrs. Bert Moses arrived in the city Thursday evening by rail from the east and is now at her home on Scenic Drive.

Jesse Winburn, owner of "Sap and Salt," who has been spending the winter in New York, and Bert Moses, who left here a few weeks ago in company with his wife, for east, are traveling west by auto, being scheduled to arrive in Colorado Springs yesterday.

Mr. Winburn and Mr. Moses are taking the trip leisurely, but expect to arrive in Ashland before the Fourth of July, and it is not improbable that he will lead the Ford parade on July 3d, as well as the parade on the Fourth.

## PARK Supt. SMITH RESIGNS PLACE AS CUSTODIAN

T. F. Smith who has been superintendent of the Ashland parks for the past several years, resigned his position, effective today.

Mr. Smith has not been in good health for several months and has not been able to leave his home for the last several weeks. He therefore thought it best to resign and let some other man take charge who was physically able to see that the proper work was done and the parks not allowed to lose any of their exceptional beauty, for which he has been personally responsible in the past.

Mr. Smith expects to continue his residence in Ashland for the present, having made no plans for leaving at this time.

Harris Dean has been chosen by the park board to take the place of Mr. Smith, and will undoubtedly prove to be as good a superintendent as the former official.

## D. A. R. ELECT OFFICERS FOR THE COMING YEAR

The Daughters of the American Revolution met last evening at the home of Mrs. Gordon MacCracken, on Hargadine street, and elected officers for the ensuing year as follows: Regent, Mrs. J. P. Dodge; first vice-regent, Mrs. Emil Pelt; second vice-regent, Mrs. W. E. Blake; secretary, Mrs. H. O. Anderson; treasurer, Miss Carol Mitchell; historian, Mrs. H. W. Andrews; registrar, Mrs. R. W. Conover.

Following the business meeting, a social hour was spent, in which Mrs. H. C. Galey read a splendid paper on the early surveys of southern Oregon which was of particular interest to residents of Jackson county.

Delicious refreshments were served by the hostess at the close of the session.

## H. W. ANDREWS DIES AS RESULT OF SORE THROAT

H. W. Andrews died this afternoon at 12:45 o'clock at his home on Church street, after a few days of illness. He was 62 years of age.

Mr. Andrews had an attack of septic sore throat several days ago, but had practically recovered from it and had gone to work again when he had another attack. The poison went to his kidneys and the result was acute Bright's disease.

Funeral arrangements have not been completed, and will be announced at a later date.

## WELL KNOWN ROSEBURG MAN DIES IN PORTLAND

S. H. Miller, of Roseburg, died Friday, June 2, at a hospital in Portland, and was brought to Roseburg Sunday for burial. Mr. Miller was a G. A. R. and had a large number of friends throughout southern Oregon.

Mr. Miller's wife is a sister of J. S. Miller of Ashland. She is also confined in the Portland hospital.

## CHIP INTO THE 4TH JULY FUND \$ OR DIMES OR \$

### START THE BALL A-ROLLING WITH YOUR DOLLARS OR DIMES

The Lord Loves a Cheerful Giver, But Nobody Loves a Tightwad—So Lessen Your Load, Ease Your Conscience and Come Through.

Ashland is booked for a big Fourth of July celebration and preparations are under way to make it the biggest event of the kind ever put on here. It is proposed to stage such an attractive program that the attendance from the surrounding towns will be greater than ever before.

To accomplish this, it is necessary that a couple of thousand dollars be raised. It is hardly fair that the merchants should be asked to bear the brunt of the financial burden, when there are hundreds of others who not only ought to contribute to the fund, but would be glad to do so, if given the opportunity. Heretofore the general public has been overlooked in the matter of contributions. The business men have always had to finance these affairs, while only a very few of them derive any financial benefit, as pretty much all places of business are closed on that day, with the exception of the hotels, restaurants and confectioners. In order to meet the situation and that the contributions may be more evenly divided than heretofore, the Fourth of July committee has decided to open a "Contribution Column" in the Tidings, in which a daily report will be made of the total amount received and the names of the contributors, although it is not deemed advisable to publish the amount sent in. The child's nickel, given with a spirit of patriotism, will be as welcome as the dollar of the dad. No amount will be too small, but it is hardly necessary to state, the committee will not look askance at any contribution, no matter how large. So send your dollars and your dimes and help the good cause along. "Loosen up. Live up, and make the old town hum!"

## GREER FAMILY RETURNS FROM VISIT AT EUGENE

Mrs. Bert Greer and daughter Elbert returned home Monday from Eugene, where they visited with Mr. and Mrs. Chester Stevenson. The Stevensons lived in Ashland for several years and have many friends here who will be interested in learning of Mr. Stevenson's success in Eugene, and that he has just completed a fine new studio.

## MORE HELP PROMISED FOR CIVIC CLUB HOUSE

The merchants of the city are very generous with the Civic Improvement club these days, and are doing various things to help out with the new building.

Charles Pierce, of the Ford garage, has now offered one ticket to the club for every 50 cents worth of ice cream sold at the ice cream and strawberry festival, which will be held in the park Tuesday evening, June 13. If the ladies should win the machine with one of these tickets, the sum which could be realized from the sale of the machine would go a long way toward finishing the club house.

Everybody likes strawberries and ice cream, and the ladies promise to have plenty for everybody, so come and get your share.

## MINISTERS ARE NAMED FOR SOUTHERN OREGON

The Southern Oregon conference of the Free Methodist church was held last week at Cottage Grove and the following appointments for the ensuing year were made: Medford district—D. D. Dodge, district elder; Ashland, C. E. Glazier; Medford, E. F. Lee; Grants Pass, Arthur Wilson; Trail, L. M. Phillips; Medford, Calif., W. E. Good; J. W. Sharpe, superannuated; J. E. McDonald, superannuated; A. J. Edwards, located, Roseburg district—D. D. Dodge, district elder; Roseburg, Rhoda Burnett; Oakland, C. F. Skelton; Star and Cottage Grove, D. S. Forester; Blue Mountain, George Crawford; Springfield, Otto Fuson; R. H. Dollarhide, superannuated.

## CAR DASHES OVER 50-FOOT BANK IN LITHIA PARK

R. C. Ruell and Norman Judy, both of Medford, had a narrow escape from injury late yesterday afternoon, when the Chevrolet car in which they were riding, left the grade on South Pioneer street, and plunged down the bank into Lithia park. The men had arrived in Ashland from Klamath Falls shortly before the accident, and had driven through the park and the auto camp grounds and were returning over the drive above the park. On nearing the first houses on South Pioneer street, the steering gear caught, and before the car could be stopped, it ran over the edge of the grade and headed for Ashland creek. Its runaway career was checked by the ditch above the children's playground.

Young Judy leaped from the car before it had gone clear over the bank, and Ruell followed suit within a few feet, both escaping with no other injuries than a few minor bruises. The car had a badly bent fender and the radiator was damaged slightly, although the windshield and headlight lenses were not broken in the descent. It was removed this morning by Mr. Moss of the Overland garage, who expected to have the machine in running order in a few hours' time.

## ASHLAND BOYS HOLD LEAD IN UNIVERSITY

Ashland students at the University of Oregon apparently are able to hold their own in both social and class honors with students from other cities. Past reports have shown that the class records of various Ashland students were equal to any in the state, and now other reports indicate that Ashland men are also leaders in social activities of the school.

Harold Simpson, son of Mr. and Mrs. T. H. Simpson of this city, has been elected class president of the senior class of 1923. The retiring president of the class is Leith Abbott, also of Ashland, and the son of Arthur F. Abbott.

## VIRGINIA FALES SUCCEDES TO LONG ILLNESS

Mrs. Virginia Fales died at her home last night about 11:30 o'clock. She was 68 years old.

Mrs. Fales came here about three years ago from Vancouver, Wash., to visit her brother, A. L. Lamb, and liked the climatic conditions so well that she decided to make her home in Ashland despite the fact that she had a lovely home in Vancouver.

She was taken ill several months ago and was under the care of a trained nurse until about a month ago, when she recovered sufficiently to be able to move to a home near her brother, where she has lived with a companion since that time.

Funeral services will be held from the J. P. Dodge and Sons funeral parlors Friday afternoon at 2:30 o'clock, with Rev. C. A. Edwards officiating. The body will then be taken to Vancouver, Wash., on train 54 Friday evening, and burial will take place there Saturday.

## CRATER LAKE TO BE MECCA OF CONVENTIONS

Crater Lake in 1923 will be the mecca for Knights of Pythias from all parts of southern Oregon, and for members of the Dramatic Order of Knights of Khorassan from all parts of the United States, if plans launched by the southern Oregon lodges and accepted by the K. P. convention in Roseburg last week are brought to a successful conclusion.

It is planned to hold the convention in August, when the "Dokkies" will hold their national convention in Portland, thus permitting them to attend the Crater Lake convention before returning home.

## A. L. LAMB IN SERIOUS AUTOMOBILE ACCIDENT

Mr. and Mrs. A. L. Lamb, accompanied by Mrs. Virginia Fales, enroute to Gold Hill Sunday, and while there, had a rather serious accident, which resulted in the loss of one of the front wheels of their automobile, as well as considerable other damage to the car. Mrs. Fales suffered quite a nervous shock and received a bad cut on the arm, besides some minor bruises.

Friends brought the party home, and Mr. Lamb returned with a truck to bring in the car.

The car with which Mr. Lamb collided was also badly used up and will require considerable repairing before it is able to navigate the highways again.

## NOTED LECTURER WILL APPEAR HERE SATURDAY

Frank Hubbell will make an address Saturday, June 10, at 7:30 o'clock at the Armory, his subject being "Civil War Days of the American Soldiers."

The funds raised at this meeting will go toward building a commemorative monument to every comrade who fought in the civil war. It is to be erected in Seattle on a triangular tract of ground in the heart of the city, which is said to be valued at \$50,000.

Tickets may be purchased at Rose Brothers and Porters confectionery.

## FUNERAL OF W. G. DAY TO BE HELD THURSDAY

Funeral services for the late William G. Day, who died yesterday at his home east of the city, will be held Thursday morning at Hornbrook, at 11 o'clock.

J. P. Dodge and Sons, funeral directors, will have charge of the interment.

## "4TH & FORD" BOOSTERS AT FORUM LUNCHEON

A good attendance was in evidence at the Chamber of Commerce forum luncheon this noon, and several important matters were discussed. The "Ford Day" and Fourth of July committees reported excellent progress in their plans.

J. W. McGee stated that the committee on the "Ford Day" met with a splendid response and that practically every merchant in the city had joined in the plans.

Secretary Fuller reported for the July Fourth committee in the absence of the chairman. He stated that it was prepared to make this year's celebration an all Southern Oregon affair, invitations to be extended as far as Roseburg. Grants Pass has already responded to the invitation and will be in Ashland in force on that day.

A big band concert is planned as one of the many features, with all the larger towns participating. This may be extended on the two days, July 3 and 4. Already demands for various concessions have been coming in.

O. F. Carson is chairman of the music committee, and Frank Jordan of the concessions committee.

C. A. Edwards was presiding officer of the day and he presented the matter of the Epworth League institute and asked the co-operation and assistance of the chamber.

Lieutenant Colonel Hazlewood was present in the interest of the training camp for boys, and states he would be glad to meet boys 17 years of age or over regarding the opportunity.

E. C. C. Clement, post office inspector, was the principal speaker, and gave an interesting resume of the growth and working of the post office department.

## DAILY VACATION BIBLE SCHOOL BEGINS TUESDAY

Preparations for the daily vacation Bible school of the Presbyterian and Baptist Sunday schools are well under way, and classes begin next Tuesday, to continue for four weeks, daily except Saturdays.

The school will be held in the basement of the Baptist church between the hours of 9:30 and 12 o'clock. The course will consist of music, Bible, habit talks and missionary work, with stories of handcraft and patriotism.

All boys and girls from six to fifteen years of age, who are members of either of these Sunday schools, or those who do not attend any Sunday school, are eligible to attend the sessions.

C. F. Koehler will superintend and have charge of the boys' carpentry and craft work; Mrs. Agnes Herndon, organist; Mrs. J. H. Fuller, musical director; Mrs. Koehler, Bible stories and girls' craft; Miss Hays, memory work; Misses Nellie Hake, Edith Robison and others will also assist. Rev. C. C. Hulet and daughter will help the first week.

With such roomy, convenient quarters and such a corps of teachers, the children will have a happy time. No charges will be made.

## Make Business Visit

Judge W. J. Moore, a well known Ashland lawyer, was transacting legal business in the county seat yesterday. The judge knows how to sympathize with country newspaper editors, as he was for some time himself editor of a paper at Lakeview some years ago.—Jacksonville Post.

## ORDINANCE BANS SALE AND USE OF FIREWORKS

Many business men of Ashland have been asking in regard to the enforcement of the fireworks ordinance and the state law regarding same during the coming celebration.

An interview with Mayor Lamkin this morning brought out the fact that the prohibition against fireworks will be strictly enforced, and merchants are warned against purchasing same.

The state law makes it unlawful for any firecracker over two and one-half inches in length and five-eighths inch in diameter to be sold or exploded, consequently any firecracker violating this provision cannot be used or sold anywhere within the state.

The city ordinance provides that it shall be unlawful to discharge, fire or use any firecrackers, rockets, torpedos, Roman candles, or other fireworks or substance designated and intended for pyrotechnic display or any ordinance, gun, pistol, rifle, cane, cannon or other appliance using blank cartridges, ball cartridges or caps, or other form of explosive.

The ordinance further provides that it shall be unlawful to sell any fireworks at retail, or to store or sell any fireworks at wholesale, except by permit by the mayor, issued for a period of one year. Application for permit must be filed with the chief of the fire department at least 30 days previous to the using thereof.

It will be noticed that merchants cannot sell at retail at all within the city of Ashland, and hence they should not lay in a stock of fireworks, says Mayor Lamkin.

The above mentioned ordinance is different than the provisions of the old ordinance in force last Fourth of July. The change was made July 12, 1921, by unanimous vote of the council, and strengthened the old ordinance to the extent that the sale of fireworks was prohibited as well as the discharging of same.

## MERLEY CIRCLE MEMBERS GUESTS OF MRS. HEWETT

Mrs. E. E. Hewett was hostess at a delightful meeting of the Merley circle of the Baptist church, yesterday afternoon at her home at 173 Oak street.

The afternoon was spent with fancy work, and a general good time was enjoyed by those present. Mrs. Hewett was assisted in serving the delicious refreshments, which consisted of strawberries and cream, cake and coffee, by Mesdames William Holmes, John Cadamo, D. F. Gasaway, H. Canine and Harvey.

After the social session was over, Mrs. H. O. Butterfield, president of the circle, called a business meeting, and a new idea was discussed as to the different women's societies of the church. This resulted in the selection of a president to have general charge of all the clubs of the church, and vice-presidents to be at the head of the various individual societies.

The following is the selection of officers made: Mrs. H. O. Butterfield, president; Mrs. C. A. Brown, first vice-president, and Mrs. Benwick, second vice-president, who will have charge of the White Cross department of the church. Mrs. Gilmore was selected as third vice-president and will have charge of the missionary department. Mrs. Moore, as fourth vice-president, will have charge of the Ladies' Aid. Mrs. Bert Hinthorne, fifth vice-president, at the head of the Merley circle, which is the social organization of the church, will have charge of all the social affairs of the various societies. Mrs. H. P. Holmes was selected as secretary and treasurer of the Missionary and White Cross circles, and Mrs. S. A. Peters Jr. as secretary of the Ladies' Aid and Merley circles, with Mrs. Hawks as treasurer of the two last named societies.

## MURPHY SMASHES AUTO RECORD IN SWEETSTAKES

INDIANAPOLIS, May 31.—Jimmy Murphy, the wild Irishman of the Pacific coast, won the 500 mile automobile sweetstakes here yesterday. His average speed was 94.48 miles an hour, shattering the track record of 89.62 hung up by Ralph De Palma in 1915.

Harry Harts was second.
